## HISTORY

On August 16, 1904, a group of Black citizens formed "The Rayville Industrial and Agricultural School Corporation. The school was initially known as "The College", which was located south of Rayville in the Brickyard community. The men responsible for the formation of this corporation used the provisions of the general statutes of the State of Louisiana and acts amendatory and especially Act No. 50 of the General Assembly of 1890, relative to organization of corporations for literary, scientific, and charitable purposes. The students attending "The College" were enrolled in cooking, sewing, music, math, and English courses. The college was dissolved because of financial difficulties, and the next school was renamed The Rayville Colored School in 1916 and classes held in Macedonia Baptist Church.

In 1924, land was purchased from Mr. William Tolliver Cook, and grades 1-6 were transferred from Macedonia Baptist Church to new school buildings on the current site of the Rayville Recreation Center.

In 1933, it was approved as a junior high school. In 1939, it was accredited and graduated its first eleven students as Rayville Colored High School. It was renamed Rayville Rosenwald High School in 1949. It became Eula D. Britton High School in 1956, being named after the former principal, Mrs. Eula D. Britton.

The gymnasium was constructed in 1953 becoming the centerpiece of the high school and the community. Due to the era of integration, the school closed in 1970.

## RAYVILLE ROSENWALD/EULA D. BRITTON

### 1904-1970

In 1904, forty years after the ratification of the 13<sup>th</sup> Amendment (the abolishment of slavery), a group of sixteen indigent black citizens of Rayville, Louisiana petitioned the District Court of Richland Parish to form the Rayville Industrial and Agricultural School Corporation. It is noteworthy that five years before the origin of the National Association for the Advancement of Colored People (NAACP), this group had the where-with-all to test society and seek betterment for the Black youth of the Rayville Community.

As a result of the formation of this corporation, educational opportunities for African Americans in Rayville had its beginning. The first school was opened in 1907 south of Rayville, (the area known as the “Brickyard”). The school was known as the “College” and was headed by Reverend R. Amos, also known as Professor Amos. There were five additional instructors: Professor J. Anthony, Professor P. J. Sims, Miss Elliot, and Professor and Mrs. Toombs. Only Professor J. Anthony resided in Rayville. The others were from surrounding Parishes that had also established schools for Blacks.

The “College” had many financial difficulties as well as a lack of student participation. It had to be dissolved within two years of its beginning. It was not until October of 1916 that another school for the Black youth in Rayville was opened. This school opened in the Macedonia Baptist Church. A Professor Beasley, Sr. of Houma, Louisiana headed the school and served as its principal. Over the next four years the school grew as did the faculty. A Professor Jackson became the principal and his wife, Mrs. Jackson, along with Mrs. Clara Bell Coleman formed the faculty.

In 1922 the Odd Fellow’s Hall, at the corner of Jewel and Pearl Streets, was used to house the school. The school was now serving grades 1-6 and the faculty included Mrs. Eula D. Britton, Mrs. O. S. Hill and Mrs. Evans. Mrs. Ollie Hill served a brief time as its principal.

During the latter part of 1924, our school had its anchor cemented when buildings were opened on land purchased from Mr. William Tolliver Cook. This anchor was the large open area in front of our Gymnasium. The school had now grown to include the 7<sup>th</sup> grade and Mrs. Eula D. Britton was its principal. The first graduates from the 7<sup>th</sup> grade held their graduation ceremony in Macedonia Baptist Church. Members of this class were: Mrs. Mary Jenkins Kennedy (valedictorian), Mrs. Jessie Williams Gundy (salutatorian), Mrs. Geneva Cross, Mrs. Alberta Hawkins, and Mrs. Alberta Osborne. The second 7<sup>th</sup> grade class to graduate held their ceremonies at First Baptist Church in 1925. The school was now known as Rayville Colored School. In 1933, the school was approved as a Junior High School and was offering an 8<sup>th</sup> grade Completion Certificate.

When the 1936 8<sup>th</sup> grade class received their Certificates many of them showed an interest in going further with their education. There was only one (1) high school for Black youths in Richland Parish and that was located in Delhi, Louisiana. And, there were a few black students who had relatives in Union Parish, which had a high school and also in Grambling, Louisiana where the

Black College also had a high school. When a group of ministers in Rayville learned of the wishes of this class they purchased an old bus and hired a driver to transport these students from Rayville to Delhi on a daily basis. This effort proved to be as troublesome as not having a school, with the unreliability of the bus and the driver. This group of ministers, consisting of Reverend Henderson Smith, Reverend H. S. Carradine, and Reverend Eddie Howard along with the owner of a local Funeral Home, Mr. Douglas Allen, decided to petition the Superintendent of the Richland Parish School Board, Mr. E.E. Keebler, on the thought of expanding the Rayville Colored School to a High School. An agreement was reached to add an additional room a year (another grade) and the School Board would add another Teacher a year. Accurate accounts of how this process worked are sketchy, but we know that this was the beginning of the infusion of monies from the Rosenwald Foundation. These monies, which were matched by the local school and community, continued until the school was actually named Rayville Rosenwald High School in 1949.

The 8<sup>th</sup> grade class of 1936 became the first graduating class to receive high school diplomas in 1939 after completing eleven (11) years of school. The school had been given a “B” rating in 1939 and this first class consisted of eleven (11) students. In 1940 the school was accredited and given the “AA” rating which was the highest rating given to Negro high schools in the state at this time.

With the infusion of students from the many single room schools for African Americans that had been started in Richland Parish during the forties the school in Rayville became a focal point. Students came from Pardue, Holly Ridge, Mangham, Jones Chapel, Egypt, Pilgrim Rest and New Zion schools. By 1950 Rayville Rosenwald had become a nine month school, to include a twelfth grade. The school contained twenty- four rooms, employed twenty-six teachers with an enrollment of well over a thousand students. Other improvements consisted of a full-time Librarian (Mrs. Thelma Cormier), a well-equipped Home Economics Department run by Mrs. Annie D. Beck, and a fast developing Agriculture Department headed by Mr. Roy Lee Johnson. A complete lunchroom had been opened with seven of the most dedicated and talented lunchroom workers. They were Mrs. Susie Adams, Mrs. Bertha Brown, Mrs. Eddie V. Haynes, Mrs. Susie Lewis, Mrs. Emma Stenson, Mrs. Minnie Summers, and Mrs. Roberta Jones. Later cafeteria staff included: Mrs. Lula Alexander, Mrs. Elmese Elder, Mr. Bennie Harris, Mrs. Lula Howard and Mrs. Georgia Mae Smith. The school hired its first custodian, Mr. Maceo Little, who was later followed by Mr. Alex Elder. We must also mention four pillars to the foundation of these achievements; Mrs. Josie Draper, Mrs. Lureatha Mansfield, Mrs. Zephyr Stephens and Mr. Donzell Brewster. All were instructors during these real “trying” times.

Even though athletics and organized sports were always a staple of the school curricula all of these activities had to be conducted outside on the playgrounds. The need for a Gymnasium/Auditorium was always there, but it took the graduating class of 1945 to bring it to the forefront. This class raised and donated \$1300.00 to the Richland Parish School Board as a down payment toward the building we now call “The Gym”. This gesture must be noted because it took another seven years before our “Gym” was constructed and opened at the beginning of the 1952-53 school year. Mr. Melvin Rogers and Ms. Moore presided over a rigorous health and PE program, and basketball teams. A noteworthy accomplishment was the 1951 and 1964 state championship wins in basketball, led by coach Melvin Rogers.

The final expansion of the school occurred in 1956 when a brand new addition was opened. This addition consisted of twenty-six classrooms (fully equipped), a Commercial Department, a Music Department, a Sewing Room, a Science Department, a Clinic, and two (2) teacher lounges. This year also marked the end of an era, Mrs. Britton announced her retirement. With her announcement the school board decided to actually rename the school in her honor. Thus, during her final school year as principal (1956-1957), she presided over “her” school, Eula D. Britton High School.

James P. Smith, a former student of this school and an instructor in the Rhymes Colored School System was named principal to begin the 1957 school year. By then the school was beginning to receive a few “new” books, as the habit of the schools for African Americans receiving the discarded books from the white schools was slowly being phased out. Mr. Smith served as principal until the end of the 1968-69 school year. When, 15 years after the decision of Brown vs. the Board of Education (calling for the integration of all public schools), Eula D. Britton High School was integrated with the 1969-70 school year showing only integration among the faculty, the school actually never did experience student integration. At the beginning of the 1970-71 school year the school was changed to a middle school, the name (Eula D. Britton) discarded, and all records and artifacts became unaccounted for. In 1980 all of the buildings were torn down and thanks to a small group of former teachers and students the “Gym” was saved. This group was led by Mr. Willie Larkin and Mrs. Creasy Thompson. They convinced the school board to allow the community and the Alumni of the school to assume responsibility for the building.

From the “College” to Eula D. Britton High School, the history of the educational plight of the Black community in Rayville has been phenomenal and will never be forgotten. From its famous sub-divisions that included Greer Road, New Town, Buck’s Pasture, River Road, Potts Town, Nelson Bend, Brickyard, Across the Canal, Mid Town, and even Bee Bayou a sense of pride will always remain. The Bus Drivers who transported these students were a part of this pride. They included the following; Mr. Arthur Brown, Mr. Dennis Coleman, Mr. Aaron Davison, Mr. Monroe Harris, Mr. Willie Larkin, Sr., Reverend Luther Mansfield, Sr., Mr. John Newsome, Sr., Mr. Joel Washington, and Mr. Shirley White. The original concept in 1904 until dissolution in 1970 was always based on the need to provide opportunities for the African American citizens of Rayville to better themselves through education. During the 63 years of actual school existence and through the 31 graduating classes, unlimited efforts were made to ensure the perpetuation of this idea.

Our indebtedness to the early pioneers of our community will remain eternally.

**Mrs. Eula Dunnings Britton**  
Principal 1924--1957

Mrs. Britton was born in or near Mangham, Louisiana between 1891 and 1894. The actual date of her birth is not known. She was the third child of nine, born to Edward and Mary Jane Dunnings. History tells us that her father began a school on the farm where she was raised. He called it the Dunnings School. She and her siblings were taught basic reading, writing and arithmetic, during their time away from farm work. Mrs. Britton was able to finish the eighth grade while still on the farm. It is believed that she then attended Homer High School of Union Parish where she received her diploma. She migrated to the Rayville area sometime between 1918 and 1922, where she became a member of the small faculty of the school that was initially held in the Macedonia Baptist Church. Grades 1-6 were being taught at this school. Mrs. Britton was named principal in the latter part of 1924. From this point on, the history of the school becomes clearer. Mrs. Britton continued to further her education while still the head administrator of the school that began as a five month school, offering only a sixth grade education. The school, however, continued to grow to a fully accredited high school that eventually carried her name. She earned a Bachelor's Degree from Southern University in Baton Rouge, Louisiana (1937) and a Master's Degree from Atlanta University in Atlanta, Georgia (1945). She retired as principal of Eula D. Britton High School after the 1957 school year

Mrs. Britton is credited with laying the real foundation for the education of African Americans in the Rayville community. She was optimistic beyond belief and held a keen sense of responsibility for her community, her work, and her faith. Her outstanding abilities as a teacher and as a principal are reflected in the many students who came under her tutelage. History cannot record all of the many remarkable achievements and services that were formulated through her devotion to excellence, her pursuit of honesty, integrity, and truthfulness, and of her love for God and for her fellowman.

She became a life long member of Rankin Chapel A.M.E. Church. She had a passion for education and commitment to those she taught. Her life was a model of excellence and her memory will live forever among those who knew her work. Mrs. Britton died April 16, 1986.

## **Mr. James Phillip Smith**

Principal

1957 - 1969

Principal Smith was born in Rayville, Louisiana on July 17, 1925 to Reverend and Mrs. Henderson E. Smith. He was the youngest of three. He attended school in Rayville and was part of the 1944 graduating class from the then Rayville Colored High School. Both of his siblings graduated ahead of him. Robert, in 1939 and Pearlie Mae in 1941. All three received their diplomas after completing eleven years of school. Principal Smith spent two years in the United States Army prior to entering Southern University in Baton Rouge, Louisiana where he received his BS Degree in Education in 1949. He later earned the Master of Education Degree from Louisiana State University. He began his career as an educator at Rhymes Colored High School in 1949, teaching American History and remained there until 1957 when he succeeded Mrs. Eula D. Britton as principal of Eula D. Britton High School. This was the same school that he graduated from but it had been re-named in honor of the principal who served during his high school days. He became known as the "BUILDER". He loved his work as principal and prided himself on being able to communicate with students in such a way as to be helpful in their choices of preparing themselves for the world of work. He was also a strict disciplinarian, and he believed that each student should aim high and embrace values that were long lasting. He also taught the students to have pride in themselves, show respect to others, work hard, be dedicated and always possess courage and integrity. He always would say "*It's not what we gain....but what we give that measures the worth of the life we live*". Principal Smith served as principal at Eula D. Britton High School until 1969 when he was assigned to various supervisory roles with the Richland Parish School Board. He retired as an educator in 1985.

Principal Smith was called to the ministry in 1982 and was ordained the same year. He later attended the Theological Seminary of Monroe, Louisiana, where he received the Bachelor of Theology Degree in 1983. He became the pastor of St. Luke Baptist Church in Bonita, Louisiana, and served until his death in 1987.

ADMINISTRATION

Mr. James P. Smith, Principal

The most vital asset that America possesses is the youth of today, because they are citizens of tomorrow. They represent the next generation of man power that will be required for our industrialized society. The Eula D. Britton High School's principal and faculty are making every effort to achieve excellence in fulfilling the needs in the scientific, engineering, medical and teaching areas, as well as skill and unskilled personnel of tomorrow. Of course the ideal situation would be one that every graduating student has an intelligent evaluation of himself in terms of ability and interest in respect to a specific vocation that he or she is best suited. This is exactly the goals for which we, the faculty are striving.

If the student is to develop the proper attitude and respect for subject matter and school activities that are ultimately correlated with the respect for school and community, he must realize the practical value of his subject and school activities in respect to his future plans.

In a democracy the education of an individual is conceived as a duty and not as a privilege for the chief goal of the school is the effective and continuous optimum development of all individuals.

I congratulate the students here at "Britton" for the excellent achievements made during 1963-64 school sessions, namely: Winning the State Championship in basketball, many high achievements in the 5th District L.I.O.L.A. Rallies, musical festivals, and many others.

It is my honest and sincere desire to set up desirable conditions conducive to growth, development, and learning.

Mr. James P. Smith  
Principal

### OUR SCHOOL ALMA MATER

Let our voices loudly ringing  
Echo far and near,  
Songs of praise thy children singing  
To thy memory dear.

Through the years we've been together  
Fondly we recall,  
Days of fair and stormy weather  
Thou has gladden'd all.

Years may dim our recollection  
Time its change may bring,  
Still thy name in fond affection  
Ever more we sing.

#### Chorus

Alma Mater, Alma Mater!  
Tender, fair, and true.  
Britton High with love unflinching  
We owe our love to you.

"HIGHLIGHTS OF 1960"

This book, readers, is published to  
tell and show you some of the  
many things we are doing in this school.

This is the time of the year when  
high school pupils all over our  
country will be taking that giant step.  
It is the aim of this book to inspire  
many, to challenge others, and to many  
it will be a memento of laborious  
jovial days spent here.

# OUR HIGH SCHOOL

## Alma Mater

Let our voices loudly ringing  
Echo far and near,  
Songs of praise thy children singing  
To thy memory dear.

All the days we've been together  
Fondly we recall,  
Days of fair and stormy weather  
Thou has gladden'd all.

Years may dim our recollection,  
Time its change may bring,  
Still thy name in fond affection  
Ever more we sing.

### Chorus

Alma Mater, Alma Mater!  
Tender, fair, and true,  
Britton High with love unfailing  
We owe our love to you.

# PRINCIPAL'S MESSAGE

We live in a world of bewildering potentialities for good or for evil. There are means and resources available by which we may build a more satisfying life. Democratic school activities train young people to take part in what they desire and develop within them qualities of initiative, resourcefulness and independence.

This yearbook is an indication of the wealth of creative abilities found among the students of Eula D. Britton High School. Their splendid achievement is to be congratulated.

## FOREWORD

We are proud to publish this, the second edition of "The Chief". We sincerely thank each one who has contributed to make the effort a success. We hope it will acquaint the community and general public with aspirations of the school.

We wish to dedicate this issue of "The Chief" to our sponsors: Mrs. Lu-reatha D. Mansfield and Mr. Roy Lee Johnson. Under the guidance of these sponsors, we have been able to see life from many angles. There has been created within us a different morale and a spirit of oneness.

Their efforts have been untiring; to them we dedicate this volume of "The Chief".

# History of the Class of 54

## Rayville Rosenwald High School

Twelve years ago, in the year of 1941, to be exact, a number of tiny tots gazed in wonder as they watched the small craft, Lady Primer, standing at anchor, getting ready to sail out into the vast ocean of Education. This beautiful day in October is one that held radiance, hope, cheer, excitement and joyous promise to this group of passengers, who were about to sail the ocean for the first time. Thirty-one eager passengers boarded Lady Primer that morning. Among the ones who stepped aboard the ship and who have continued to sail with us throughout our voyage were Willie Mae Barfield, Carey Dell Lamb, Georgia Mae Lee, Carrie Lee Jackson, Lubertha McClain, Delores Reno McNeal, Bettie Lee Stewart, Walter Williams and Simms Wilson.

During the years that followed, we explored some of the Islands of Smaller Learning. Some of the members of our crew were transferred to other small crafts; some were left behind for more adventure on some of the Smaller Islands; still others, to our happiness, were transferred from other crafts and from some of the Islands to join our crew. In 1950 we were ready to be transferred to the now Progressive Steamer as it dropped anchor at the wharf of Rayville High School. We were ready to embark upon the rougher seas of High School Education, trying to reach a place called the Land of Great Wisdom. We booked passage and were assured a happy voyage. So it was with hopeful hearts and smiling faces that we bid our friends good-bye as we steamed away from the wharf, out into the harbor, and finally into the first of the four rough seas of High School Education.

We were young and socially inclined, so it did not take us long to become acquainted with the newcomer, Minnie Lewis. Without having ever read the famous book, we felt we were masters of the art on how to win friends and influence people. Soon we were ready to organize ourselves as Freshmen. We elected Cleveland Hammond, President; John Henry Jones, Secretary; Jessie Jackson, Assistant Secretary.

Science, English, Algebra, Home Economics and Industrial Arts were some of the rocks that caused some of our passengers an unpleasant trip that first year. The majority, after having braved the ups and downs during the beginning of the voyage, soon decided that the Progressive Steamer, Rayville Rosenwald High, was by far the best equipped.

Soon it was time to pass through the channel of Promotion and into the second of the four seas of High School Education. Again, some of our crew members succumbed to the labor required of courageous sailors. Some of us could not be daunted in the pursuit of our goal, so we picked up four crew members in the channel of Promotion and continued on our journey. These new recruits were Bertha Coleman, Claude Harris, Earl Fritz, and Edward Clark. In this new sea, we found many of the rocks of the past year. Citizenship was added to the heavy task which was already beginning to confront us. This year was our year to make a new start. We tried to organize with more forethought. We were given a new Captain, Mrs. Lureatha Mansfield, for our ship. Under her expert guidance, understanding, patience, sternness at times, and straightforwardness, we were able to follow our compass and our charts to regain the course from which we had strayed so far in the wrong direction. We re-organized our group with the following persons as officers: Irene Young, President; Evelyn Smith, Vice-President; Florence Roberts, Secretary; and Mamie Brown, Treasurer. With each of us pulling in unison with all our might, we were able to embark on the right course and successfully sail through narrow channel of Sophomore promotion on into the larger sea of High School Juniors.

Our voyage during the year of 1952-53 opened with a happy group of "big time Juniors." How we loved that name "Juniors"! The name was copied from college campuses so we labored hard to maintain it in high school. Our class was organized into working groups. The officers were: Carrie Mae Johnson, President; William Smith, Vice-President; Florence Roberts, Secretary; Annie Mae Piper, Assistant Secretary; Mamie Lee Brown, Treasurer.

The first big event sponsored by the Juniors was the Opening Dance on January 15, 1953. Our Junior-Senior Banquet was held on May 7, 1953. Our culminating activity for that year was the Junior-Senior Prom, which was quite an elaborate affair.

On October 5, 1953 we sailed into the last of the four rough seas of High School Education. The Vice-President of our crew, William Smith was called to serve his country by the Armed Forces and Herbert Coleman was named to take his place. Other officers remained as in the Junior year.

We were looked upon as dignified Seniors and were the envy of everyone sailing this vast ocean.

For four years the Class of '54 so journeyed over the seas and through the lands, and gathered large portions from the "Tree of Knowledge". But it is written: "In the days when you shall eaten of all the fruits, you shall surely be driven forth from the land!"

Now, I say unto you, that we must depart and each go his separate way to lands we know not of, because the greatest voyage of Real Life lies just ahead as we cross the channel of Graduation.

—Georgia Mae Lee

### Class Poem

The years have passed, so has the time,  
And we must part dear class mates of mine,  
Joy and happiness have been ours,  
Our major goal is to find success.

Our careers may lead us astray,  
Some near and some far away.  
Joy and happiness have been ours through time,  
So why grieve at the departure, dear class mates of mine.

### Class Song

We are the class of '54  
And now we have to part  
From all our friends and the dear old school.  
We love with all our heart.

*CHORUS—*  
Oh Rayville, dear, we love you so.  
Our voices loudly ring,  
We'll always lift your banner high,  
Try praises gladly sing.
