THE HOLOCAUST

In the Biblical Holocaust, the victim was destroyed but the destruction was not an end in itself. It was a way to place the offering in God by transferring it into the field of the invisible. As appears from the Hebrew name of the Holocaust-Olah, the disappearance of the victim was only the reverse side of its exaltation - apparently destroyed but really transformed into God's glory.

Man imbued with the radiance of the divine presence, burnt by the fire of divine charity, becomes a HOLOCAUST, is sanctified and divinized and becomes ANOTHER CHRIST.

The HOLOCAUST of ourselves takes place as we daily work to acquire these Christian virtues, not so much that we may be perfect but that the kingdom of God, may come to others. It is the chips of ourselves that are whittled away little by little, to form such a person, infinitely loved by God, and in return infinitely loving, committed to the SAVING OF MANKIND.

ICATED TO BISHOP PERRY

In His loving providence, God has raised up for us in these hope-filled times a man who is a true bridge between Himself and His people. "In Him the love of God is manifested to us." We the Class of 1966 of Sacred Heart High School are honored to claim Bishop Harold Perry as a member of our parish. He knows that his life will continue to be, more than ever now, a holocaust of love. We ask that we too may follow in his footsteps, to be like him "on fire," with a deep, practical love of God and men.

Student Council President Edwin Biagas presents Bishop Perry a gift from Sacred Heart.

HAROLD ROBERT PERRY, S.V.D.

Consecrated Bishop

January 6, 1966

Now, if your experience of Christ's encouragement and love means anything to you, if you have known something of the fellowship of his Spirit, and all that it means in kindness and deep sympathy, do make my best hopes for you come true! Live together in harmony, live together in love, as though you had only one mind and one spirit between you.

Philippians 2:1-3

Please pray for me.
