# TIGERS

## 1963-1964

Published by the  
Students and Faculty of  
THOMAS A. LEVY HIGH SCHOOL  
Rosedale, Louisiana

# Dedication

CURTIS T. TRENT

"In dedication to our beloved Coach"

May every soul that touches mine - be it the

slightest contact - get therefrom some good;

Some little grace; one kindly thought;

One aspiration yet unmet;

One bit of courage for one dawning day;

One gleam of faith to brave the thickening gloom of life....

# Administration

EDWARD S. GRIFFIN, PRINCIPAL

History is made each second, minute and hour of each day, month and year. Our students are a productive part in the worthwhile making of history and this annual will serve as a visual means of production here at Levy.

The pages that follow are outward means of the faculty and students expressing a true school spirit here at Levy. I do hope this spirit will serve as a guide to greater achievements as we learn to take our rightful places in the world.

Congratulations to all who helped to make the Thomas A. Levy Annual a success.
