Walnut Hill
HORNET

Principal's Message

.....Principal's Message.....

It gives me a deep and sincere pleasure to extend greetings to the Walnut Hill family in the publication of our first school annual.

I congratulate the Student Council, the Hornet Staff and faculty for their untiring efforts in producing this memory volume.

Here at Walnut Hill we are trying to do the things that will help each student to reach his or her finest goal in life. I hope Walnut Hill is providing a laboratory of good learning.

I trust that this Annual will give pleasure throughout the life of every student, his family, and his friends and provide the torch of aspiration and the ambition to dream, to be, to do, the great incentives to progress...each according to his talents.

Yours very truly,

G.A. Williams
Principal

Dedicated to...

Our devoted Secretary
