Dedication

TO
 REVEREND CLEMENT A. ROACH, C.S.SP.
 IN THIS, HIS JUBILEE YEAR
 WE THE SENIOR CLASS OF 1952
 DEDICATE WITH GRATEFUL AFFECTION
 THIS VOLUME OF
 "THE CRUSADER"

Foreword

During the past year the parishioners of Sacred Heart Parish have had the privilege of witnessing two solemn and thrilling occasions - the offering of the first Mass by a native son, Rev. Leonard Olivier, S.V.D. and the celebration of the Silver Jubilee by their Pastor, Rev. Clement A. Roach, C.S.Sp.

The inspiration of these happy events has remained with us and we wish here to pay tribute to the sublime vocation of the Holy Priesthood and in particular to acknowledge our debt of gratitude to our beloved Pastor for his zeal and solicitude in our behalf.

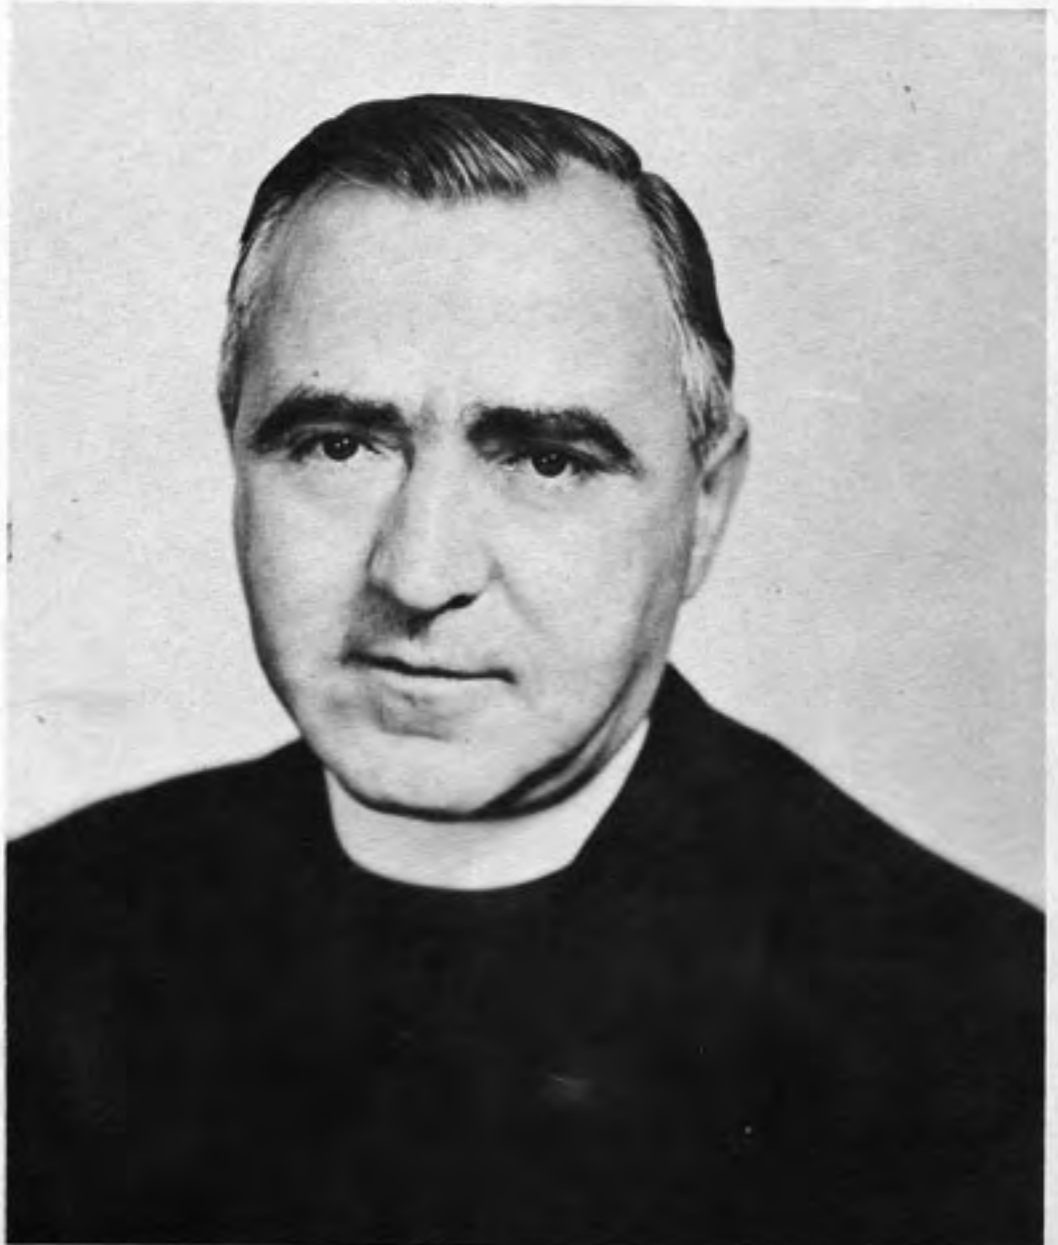

We, the students of Sacred Heart School, had the happiness of sharing in the Jubilee celebrations of our Pastor. Our Choir Boys of the Elementary School sang for the Children's Mass and the High School Choir had the privilege of singing the Solemn Jubilee Mass. Both groups prepared appropriate programs in honor of our Reverend Jubiliarian. The memory of our participation in these joyful events will be refreshed in our memories as often as we turn the pages of our 1952 Annual in which we have portrayed the pictured story of some of the most important episodes as well as the simple duties of our daily school routine during our last year at Sacred Heart High.

For the Alumni, fellow students and friends of Sacred Heart, we hope that this second edition of the CRUSADER will be a means of reliving their own school days and of strengthening the bonds which unite them to their Alma Mater.

In behalf of the Senior Class of '52 we wish to express our sincerest gratitude and deepest appreciation to the Reverend Fathers, the Sisters of the Blessed Sacrament and Teachers who have worked with us so tirelessly and zealously. May we repay them by exemplifying in our lives the principles which they by word and example have so earnestly instilled.

Class Motto

WITH COURAGE AND FAITH

Never before in the history of mankind has there been more need for the two virtues of courage and faith than in our day. As we stand on the threshold of a new life we are confronted with a new world filled with confusion and seemingly endless wars. The threat of communism hovers over our Christian civilization like a dark cloud of destruction. The cunning schemes of the workers of Satan are so planned and disguised that it is possible to deceive even the elect. We have only to turn to Europe and witness the mock trials of our Cardinals, Bishops, and Priests to prove this point.

It will take an unfaltering faith in God, an unremitting effort to achieve our high ideals, and all the courage which we can summon to our command to enable us to sift the truth from falsehood and walk in the straight and narrow path.

As graduates of Sacred Heart High School, we are fortified by a knowledge of the truth, the pursuit of which will lead us along the paths traced out for us by Christ, our Model. These paths, we know, will never be easy, but as we leave the protecting care and love of our Alma Mater, we pray that our faith in God, in truth and in justice, and the courage which this faith inspires will ever serve as a beacon to guide us onward toward the shores of eternal truth and justice.
