Best wishes to you in your endeavor to perpetuate the ideals and accomplishments of your school. May your efforts serve as an instrument to increase understanding and to inspire others to achieve a better life.

Principal's Message

Again, I wish to congratulate the annual staff and sponsors for this the fifth edition of the "Tiger" which is the best yet. It gives a more comprehensive and inclusive review of school activities.

To the students, may these memoirs be long remembered as contributing factors toward a successful life now and in the future. May you use all experiences to evaluate your worth as individuals in a dynamic society.

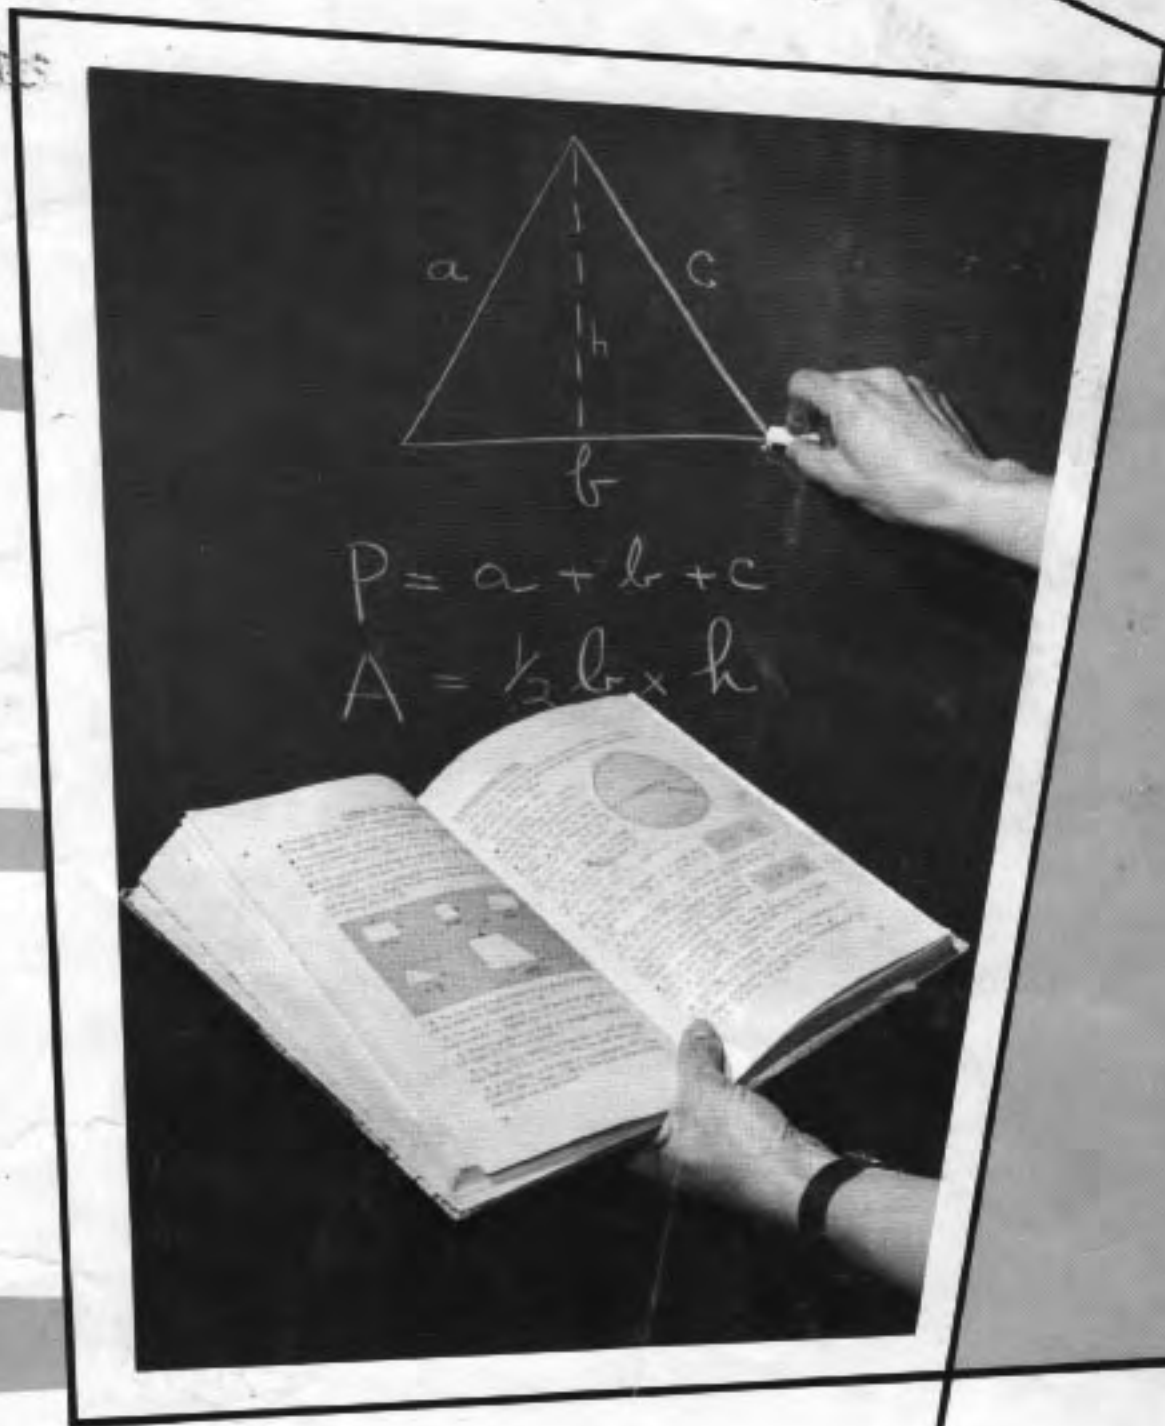

Parents, I am sure you are proud of these achievements and as you relive these activities and achievements may you be inspired and encouraged to do your best always for these our children.

Best wishes to all.

Yours truly,

John T. Coleman
