THE BULLDOG

THE SPIRIT OF 1967

THE BULLDOG

**CARROLL
JUNIOR-SENIOR HIGH SCHOOL
MONROE, LOUISIANA**

Foreword

As you leaf through the pages of this book, it will bring back recollections of this year's activities, and undoubtedly bring mixed emotions.

Carroll students can anticipate the possibility of a changing campus, new facilities, increased faculty and continued progress in curriculum, cultural and other areas. They should also find challenge - challenge to make the years ahead greater and better than the year 1966-67.

If the reader catches something of the remarkable spirit of what we know was a glorious year, we feel repaid for the labor it took to record it.

Correll, McHenry, Mayor Howard, and Correll, Rodriguez.

Three Of Monroe's Great Leaders

In the center is Mayor Jack Howard who with profound insight into the needs of the people of this city, and with a congenial forwardness in thought, has been responsible for the growth of the city and the harmonious relationship that exists with all the citizens of Monroe.

The Carroll High School Family incorporates this in the true spirit of '67.
