Foreword

As we come to the close of what we consider a most spirited school year, 1965-'66, we have endeavored to captivate some of the more gratifying moments that have been experienced this year at Reuben McCall.

We sincerely hope as you glance over the pages in later years the 1966 Dragon will reawaken the happy memories and golden friendships of those brief, progressing high school years.

As you glance through the Dragon you will undoubtedly assume that McCall can be summed up in one word: MIGHTY.

Sr. and Jr. officers discuss today's problems.

McCall High School
McCall High School
Thy name we'll ever praise
In downfall and victory,
We'll always remember thee
O Reuben McCall High School
Thy banner raised up to the sky;
The gold and blue will ever shine,
And glory evermore be thine.

We'll praise thy name forevermore
Thy lovely sons and daughters bow
And offer thee their homage true
O Reuben McCall High School
Dear Reuben McCall High School
We'll sing thy praises evermore
And give our loyalty to thee.

DEDICATION

The Senior Class of 1966 of Reuben McCall Senior High School takes great pleasure in dedicating the 1966 Dragon to a most esteemed member of the Reuben McCall Senior High School faculty, Mrs. Mildred Crockett.

Mrs. Crockett received a B.C. degree from Southern University with a major in music and specializing in voice. She has attended Vandercook College of Music in Chicago, Illinois for study toward a M.A. degree.

Mrs. Crockett is a product of Reuben McCall High School. She began teaching at Reuben McCall High School in 1952 and has been a member of the Reuben McCall High School faculty since.

We are most appreciative to her for her guidance and understanding. We feel that Mrs. Crockett has given many of us the type of background for a brighter tomorrow.

Principal's Message

"The American School is the most significant experiment in democracy in the history of the world. It is dedicated to the high purpose of helping each boy and girl develop into the best that he is capable of becoming. Money spent wisely on education is the best investment American citizens can make in the future."

The faculty of Reuben McCall High School has dedicated every effort to make each boy and girl of Madison Parish, who comes under its supervision, develop into the best that he is capable of becoming.

Closing Remarks

As we come to the end of what has been a most time - consuming task, we can hardly find words to express our gratitude toward those who gave us their much needed assistance and advice.

It has been a most enlightening and enjoyable experience for both the staff and advisors.

We sincerely hope that we have conveyed to you the true spirit of the students at McCall and that you have enjoyed glancing through our annual.
