CLASS HISTORY OF '58

The history of our class began with a bang on a September day in 1954. Our enrollment was 135. From that day we were put to work under the supervision of our abled instructors.

In this, our Freshman year, most of us engaged in some extra-curricular activities. Arthur Hayes was sent to the District & State Literary tournaments and placed second in Algebra I and General Science.

Our Sophomore year showed a slight decrease in the enrollment, but an increase in spirit; for along with scholastic and extra-curricular accomplishments, the winner of the "Miss Boston" contest (Gloria Ann Foster) was a sophomore.

The next year, our Junior year, dawned with the following persons as officers: President - Claude Purdy, Vice President - Faye Lockett, Secretary - Myrtle Evans, Treasurer - Michael Golden.

This was a big year for us in that we had more responsibilities than before. This year our major project was the Junior Senior Prom. After many weeks of hard work the GYM was finally decorated. Our scenery depicting "A Night in the Oriental Gardens" was very beautiful.

This year we were not so fortunate to have a Junior for Miss Boston, but our contestant (Josephine Richard), was runner up.

Our Senior year! The greatest of all ! ! ! We have as officers: President - Carver Waters, Vice President - Williams Kyles, Secretary - Alice Lee Walker, Financial Secretary - Mary Roberson, Treasurer - Lawrence Lewis. Our motto is "Reach For the Top - The Bottom is Crowded."

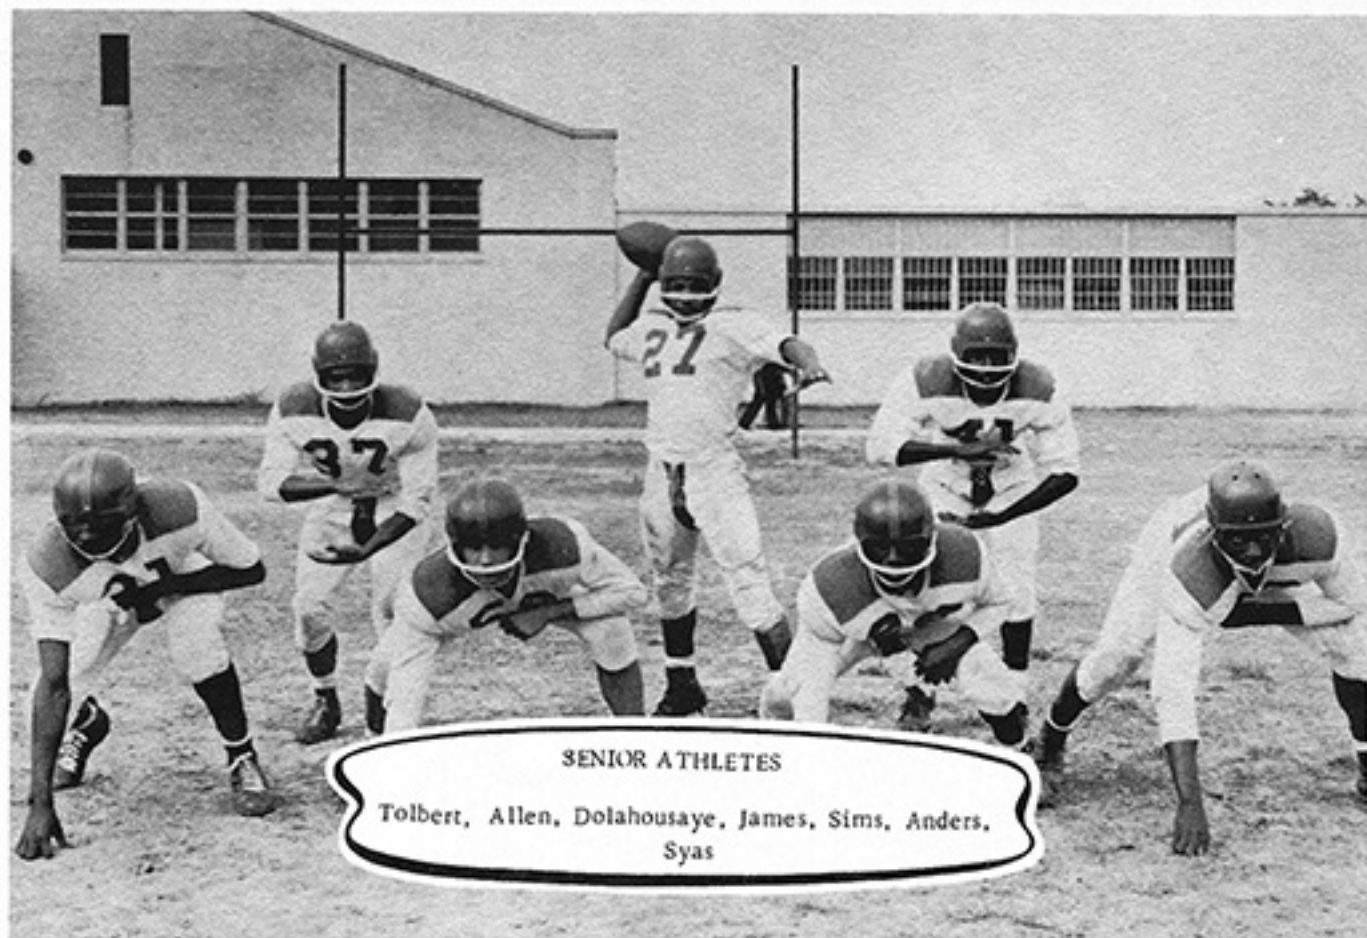

Our colors are light blue and white; our flower - blue carnation with asparagus fern.

Though our enrollment has been nearly cut in half, those of us who remain are still carrying the work begun our first year of high school. Our work has proved quite rewarding, for again the winner of the "Miss Boston" contest and present, reigning queen, (Ella Rena Thomas), is a member of the senior class. Our float and car won first place in the home coming parade.

Our success in the past years has been due largely to the cooperation which we have received from our instructors. This year is no exception and it is with all sincerity that we thank our present sponsors, Mrs. O. G. Taylor, Mrs. D. B. Broussard and Miss V. M. Moore for their untiring efforts contributed to our endeavors.
