DEDICATION

As a means of thanking Mr. Lockhart for years of hard work and unselfish devotion, we wish to dedicate "The Dragon" of 1953 to him.

We are extremely grateful for his encouragement, enthusiasm, interest, and guidance in inspiring us to the higher things of life. We trust that this volume will be a reminder of the first graduating class of Chaneyville High School.

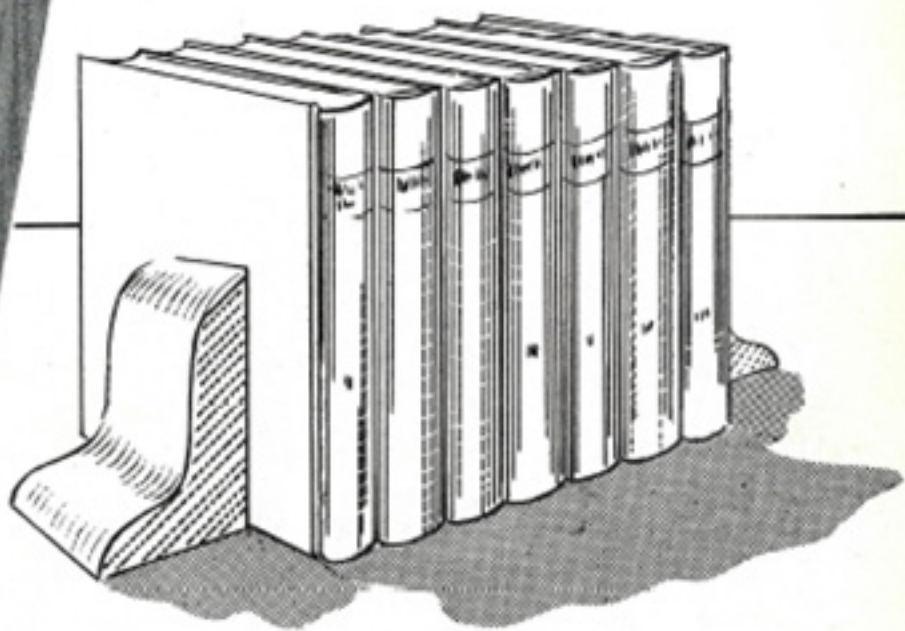

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had and the friends we made. It is the hope of the 1953 Dragon Staff that as you glance through this book in the years to come, you will recapture those moments and the echoes will begin again.

The Dragon Staff has earnestly attempted to cover every activity of Chaneyville High School. If we have failed to do this, it is an error on our part. We hope you will enjoy and treasure this issue as a record of the school events.
