1972

ACTIVITIES

“ALL THE WORLD’S A STAGE”

Dedication

To our trusted and endearing sponsors
Mrs. M. J. Shanklin and Mr. R. E. Yancey, we the
Seniors of 1972, dedicate this issue of THE DRAGON.
We feel indebted to them not only for their
guidance as sponsors, but also for their roles
in the 4-H, F.H.A. and F.F.A. Clubs.

With nostalgia we shall recall years hence
"the house by the side of the road", the Home
Economics Department.

Senior Class

THEME "EDUCATION FOR LIVING"

ALMA MATER

Oh! Hail! Hail! Dear Chaneyville
Hail the Gold and Blue
Hail to all the Dragons that
Fought so hard and true.

You are the school so dear
Gallantly you stand
Hail Dear Old Chaneyville
The best school in the land.

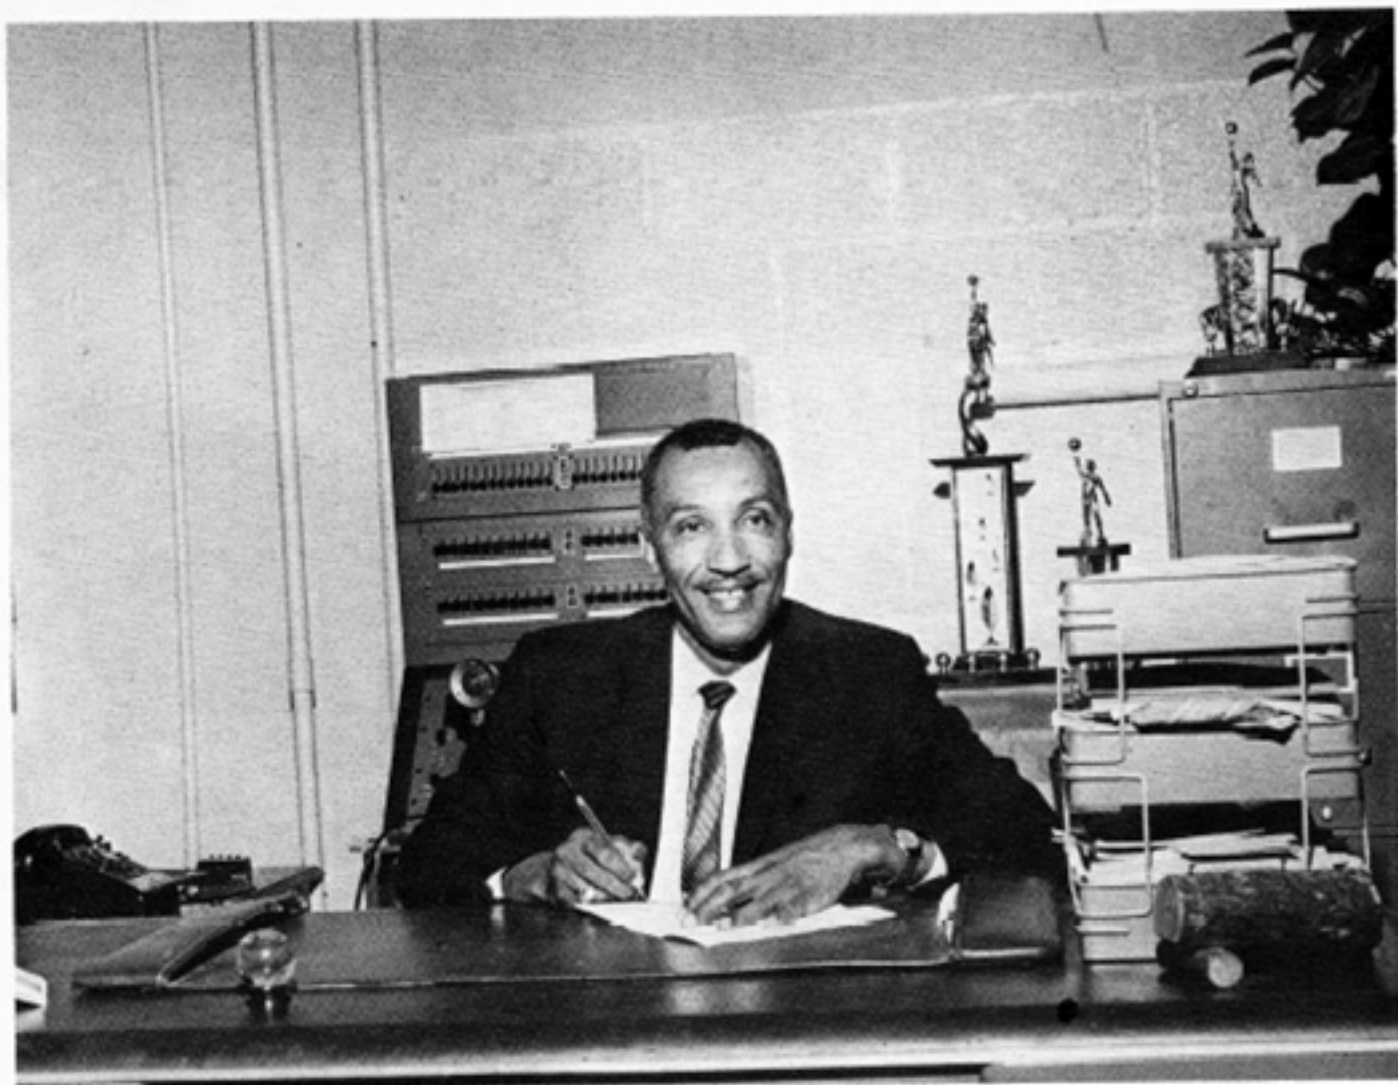

Arranged and Composed by:
J. Broussard

FOREWARD

The 1966 Dragon attempts to depict the activities and members of the Chaneyville Family. The yearbook staff hopes that this collection of persons, events, and experiences will roll back the curtains of years as father time marches on and bring back fond memories of 1965-66.

The Dragon Staff is proud of this yearbook and we hope that you enjoy each page of it as much as we have enjoyed preparing it. We also hope that other classes would follow in our footsteps in this endeavor.

A special thanks goes out to all who made this yearbook possible. Hail, Hail, Dear Chaneyville.

Mr. William M. Lochart, Sr. — Principal, B.S. Degree, Southern University, M.A. Degree, University of Nebraska, Further Studies, Louisiana State University. L.E.A. N.E.A. — N.A.S.S.P.

One author has written that all through life we are going through doorways, both actual and figurative. These doorways lead us to new realms of learning and experiences. Often we have to choose our doorways, and sometimes finding certain doors closed to us, we are disappointed. But an old saying tells us that God never closes one door without opening up another better way. Its' worth thinking about.

As we wind our way through doorways in the future let us open our Dragon and reflect on some of the good doorways that were open to us in the good ole high school years.

The staff and sponsors, uncomplainingly, worked hard to produce this well organized production and are to be congratulated by the Chaneyville Family.
