Message

In our dynamic society each individual has the opportunity to live, enjoy the fruits of man's resourcefulness and share in his responsibilities. Life is a challenge and it becomes more complex with each new and progressive moment. It is evident that from day to day we must alter our plans and create new objectives in order to fit into the complex patterns of life.

Life itself can only be defined in terms of a great mystified force that is constantly creating more difficult situations. Few people realize what is taking place.

We at Lincoln have accepted this challenge in an effort to create a productive, qualitative, imaginative, and creative type of education that will provide students with the necessary tools to cope with this life and develop their potentials to the optimum.

We greet the Trojan '68 with warm thoughts and appreciation. Recorded on the pages of the Annual are our sincere aspirations for success.

Message

Within our distinctive Lincoln High School family, the search for individualism is the student's challenge. Each student has the freedom to pursue that phase of education as to him shall seem most likely his calling. It is an endless quest for more knowledge and a stimulus to strive for personal greatness, and this greatness begins here, where we live and work together.

Evidence of our trials are recorded in this our 1968 Annual. Some successes, some failures. But all taken in the spirit of learning.

We greet the Mighty Trojans for the wonderful objective won, State Championship. We greet all the organizations, activities, and auxiliaries of the school for their part in making Lincoln High School and the Trojan '68 what they are.

Stanley W. Crosby

**Those old school days
of telling tales and
biting nails are gone,**

**But in our minds, we know they
will still live on and on**

**But how do you
thank the school
that has
taken you
from darkness**

into light

**It isn't easy
but we'll try.**

**The time has
come for
closing books
and long last
looks
must end**

and as we leave

**We know we're leaving
our best friends**

**A school that
taught us
right from
wrong,
and weak
from strong,
that's a lot
to learn.**

What can we give it in return?

If our school wanted the moon we would try to make a start,
but we'd rather it let us give

ALMA MATER

We love our dear Alma Mater
School of the schools we love thee
Live in our hearts and our minds for thee
Live in our hearts, Lincoln High
Lincoln High, we love thy colors Maroon and Gray
Lincoln High, they stand for the school we'll forever praise
Lincoln High, Lincoln High, Lincoln High
We love our dear Alma Mater
School of the schools we love thee
Live in our hearts and our minds for thee
Live in our hearts Lincoln High.

At the Homecoming game, Mr. J. A. Cuillier and his family were assembled for this picture. We think it is very good. Since Mr. Cuillier is the wonderful principal that he is, we dedicate this page to him and his family and give them the distinction of being called "The First Family of Lincoln High." The members of his family are Mrs. Ruby J. Cuillier, Joseph A. Cuillier, Sr., Joseph A. Cuillier, Jr., Ursula Cuillier, and Helen Cuillier.

SPORTS

The word "SPORTS" is written in a large, bold, stylized font. A baseball bat is positioned diagonally across the letters, and a baseball is shown at the end of the bat's handle.

Lincoln coaches watch with awe as defensive Trojans hold back the foe.

Quarterback Gregory Brown (17) hands the ball off to halfback Ronnie Rodgers (26) while Allen Payne (69) and Edmond Weber (20) lead interference.

QB Gregory Brown (17) hands off to fullback Edmond Weber off tackle led by Clyde Kelly (35).

Proud Moments for Trojans

The Lincoln High Trojans give vent to their feelings after their win over McKinley to gain the Regional Championship.

For the fourth consecutive time, the Trojans defeated the L. B. Landry Buccaneers and took possession of the Lombard Trophy. Permanent residence of the trophy goes to the school winning three consecutive times. Lincoln has won one trophy.

Those Trojans!

The mighty, mighty Trojans of Marrero lift up their coach who guided them to the State Crown. Stunned motionless, Coach Crosby had reached a goal - the Trojans too, had reached their goal - Champions of Football of the State of Louisiana, 1967. History in the Parish.

I'm Mr. Coleman that's who.

All of you are cute, boys - but I think I want him.

I'm not drunk! I just woke up

You see Donald, you must put a
