MOST REVEREND JULES B. JEANMARD, D. D.,

We, The Seniors

Lovingly Dedicate
This Third Volume Of The CRUSADER
In Recognition
Of His Apostolic Zeal And Noteworthy Achievements
As Recorded In The Annals Of The Diocese.
For His Pastoral Solitude
For Our People, Our Parish And Our School,
We Wish To Express
Our Sincere And Grateful Appreciation.

Foreword

"Lives of great men all remind us
We can make our lives sublime
And departing leave behind us
Footprints in the sands of time."

Longfellow

Lest the memories and achievements of four fruitful years be lost to posterity, we have endeavored to portray in pictured story some of the outstanding events, important episodes and simple routine duties of our last year at Sacred Heart High.

Two of these events may be considered the crowning ones of this never-to-be forgotten year. On December 27, His Excellency, Jules B. Jeanmard, D.D. conferred the august sacrament of Holy Orders on Louis Verlin Le Doux, a native son of Sacred Heart. This was truly a great and solemn occasion since Father is the first Negro Priest ordained for the Diocese of Lafayette.

This year 1953, is the Jubilee Year of our Most Reverend Bishop. During his episcopacy, Sacred Heart Parish has emerged from a mere nucleus to a full grown parish--spiritually alert and vigorously active. At all our outstanding Parish events--the dedication of our church and gymnasium, the celebration of our Pastor's Silver Jubilee, the conferring of the Papal Medal, "Pro Ecclesia et Pontifice" on Miss Figaro, and the ordination of Father Le Doux--His Excellency was our honored guest.

For the Alumni, fellow students and friends of Sacred Heart we hope that this third volume of the CRUSADER will be an inspiration and an encouragement. That it may be a means of reliving their school days and of strengthening the bonds which unite them to their Alma Mater is our ardent wish.

In behalf of the Senior Class of '53 we wish to express our sincere gratitude and deep appreciation to the Reverend Fathers, the Sisters of the Blessed Sacrament and the Teachers, who have worked with us so tirelessly, so constantly, and so patiently. May we repay them by becoming modern Crusaders, carrying Christ into the world by living the Christian principles which they have instilled in us by word and example.

A day of joy became a day of mourning for Our Lady's Sodality in 1951 when one of its members, Barbara Thomas '53, winged her way to heaven to be truly Mary's child in the heavenly court. Beautiful indeed was the sight on the day of the funeral, as the Sodality in blue and white, formed a guard of honor to pay their last respects to the remains of their dear departed member.

Miss Catherine La Fleur of the Class of '53 becomes the bride of Clayton West in June 1951.

May you have many years of happiness Catherine.

Guess Who

Class History

The moon had just gone down in the dawning as the sun broke through the clouds to bid us good morning. This was the beginning of a new day--a new life for twenty-one eager boys and girls.

As the sun crept up its heavenly stairs, we, too, began our march. Hurriedly and happily we climbed the old gray stairs to the freshman classroom, and behold, sitting at the desk with a Latin book ready for class was none other than Sister Marie Celine. After a few weeks studying Latin, we could sing "Mi' ca, Mi' ca Par'va Stel'la" like experts but we soon found out it took a little more than singing to master Latin.

Higher and higher the sun climbed, reaching its noon day peak. By this time we, too, had reached a higher peak--we were Sophomores. Being Sophomores we were eager to watch the underclassmen take their medicine from the Seniors.

We were introduced to algebra by Sister Mary Bernadette. We thought $x^2 = y^2$ was Greek, but before long we were masters in that field--or were we, Sister Bernadette? Then came Biology with the Phyla classes, orders, etc. We were beginning to wonder if we were Amoebas, Paramecia, or what. You may be sure that Sister Mary George kept us straight on that. Remember the day we caught the little green snake and frightened the Seniors? Oh, for the good old days!

But the sun hurried on to reach its destination and so did we. Just think--we were Juniors! We really thought we were great for we just had one more rung of the ladder to climb to reach the top.

We cooked breakfasts, dinners and suppers. We swallowed French, devoured English and even digested World History. Then came the music! You would have thought we were auditioning for the Fred Waring Show if you had heard the wonderful singing we did. I wonder if Sister Miriam Therese would agree with us? Many were the hours of planning and work we spent in preparation for the Senior Prom which was one of the biggest events in our Junior year.

Before we even realized it, the sun was bidding us good-bye, and the night was saying, "Hello." It was the same with us, we were saying, "Hello," to Mother Mary Frances, our Senior home-room teacher and about to bid Sacred Heart High School, "Good-bye."

Among our most cherished memories are the Sodality Formal, the Ordination of Rev. Verlin Louis Le Doux, X.U. Concert Choir, and the day we received our class rings. Many are the pages we could fill with thrilling and graphic accounts of these and many other events, but we shall allow the pages of our annual tell you the rest of the story.

Now we have just about reached the end of our High School days at Sacred Heart. For some of us, this is only a stepping stone to higher learning, for others this will be the end of formal education. But, wherever we go or whatever we do, it is our sincerest hope that we shall always be faithful and true to our dear Alma Mater--Sacred Heart High School.

As we go through the journey of life, may we live our motto, "Semper Paratus." Then when the final summons of the Master comes, He will find us, the Class of '53, ready. True to our motto, we were "Semper Parati"--Always prepared.
