1967

Presenting
Our
1967
Wa-Lo-Co
With The Theme
"Potpourri"

To
Mr. Robert N. Perry, Jr.
The Faculty, Students And Friends

Of
The Walter B. Cohen Senior High School
3620 Dryades Street
New Orleans, Louisiana (70115)

Foreword

This year the staff of WA-LO-CO decided upon POTPOURRI as a theme. Our students have done well in many fields and have turned a fine construction of community life wherever they have gone. We are proud of these students and with this 1967 production we try to tell them so.

If our book seems a bit inclusive, that is exactly what we want. For within these pages we have tried to show Cahan in as many different dimensions as possible. Our school has done a fine job and we proudly show what we have produced.

It is our sincerest hope that you enjoy the 1967 annual with the theme POTPOURRI.

Editorial Editor-In-Chief

Troy Jude Vincent

The theme of our fourteenth annual, WA-LO-CO, is "POTPOURRI". This can be interpreted in many ways. We are considering it as a collection of miscellaneous excerpts. This simply means a jumble of a little of everything. Even after these years of careful cultivation our lives should have SUGAR to bring out the love and sweetness in our hearts; VINOGR to flavor the SALT which primitive man threw over his shoulder to avoid responsibility; PEPPER which symbolizes bravery to stand up for that which is right although it may mean standing alone.

With this theme in mind we have tried very hard to cover a cross-section of our school. A good example of this is our simulated cake montage. Our senior pages have a pot to remind you of a good little now. We have brought back some past winners WA-LO-CO to give flavor to our cooking time. Using all of these delicious condiments we hope to pick up an appetite for the main course.

This book is our best because we have given you a taste of the work of the thirteen past editors. Surely it is our fondest hope that coming FOURTEEN will add that certain special ingredient which makes it a dish fit to be presented as the CHIEF'S SPECIAL.

Principal Of Walter L. Cohen High School

Mr. Robert N. Perry, Jr.
Message For 1967

Every great movement has had a person, or a group of persons, connected with it whose influences have colored or enhanced the movement and made it endure; or, in some instances, have cast it because of violent passion or undue bias far away into the limbo of all that is forgotten.

To all of us at Cohen, through the years, the yearbook has symbolized a great movement,---and it is great in itself in that it preserves for posterity all that we deem good and worthy which is fostered by our school, its students, and its staff.

The person most responsible for the excellence of the yearbook and whose work has best expressed the philosophy of the school has been Mrs. M. A. Sartor, who has given (without thought of self) thought, time, and energy to see that each issue has been a bit better and a bit more beautiful than the previous one. This in itself is not the thing for which we praise Mrs. Sartor,---and in giving this praise to her,---I hope that students and all past members of the Cohen faculty will emulate her and will emulate her fine quality of inspiring young people to preserve that which is best in our culture and to love the good, the true and the beautiful.

It is interesting to note the accomplishments of members of the yearbook staff from past years. There seems to be a quality about these people that is a begetter of success and stability of purpose that is out of the ordinary.

Therefore, this our WA-LO-GO of 1967 is living evidence of greatness of character, veracity of spirit, and willingness to sacrifice exemplified by this person of whom it can be said now no job so small that it cannot be done with dignity and honor and soon no honor so great that it cannot be worn with humility.

Our message to you, students, is this: "Go and do thou likewise." These qualities are as true today and just as worthy as they were two thousand years ago when the great Teacher told the young lawyer who asked Him: "And who is my neighbor?"

Dedication

Robert Louis Stevenson wrote, "In every part and corner of our lives, to live content is to be a gainer; to forget one's self is to be happy." Apply these words to the person whom we honor this year and you will find a very happy man.

To be glad of life, because it gives you the chance to love and to work and to serve; to be satisfied with your possessions, but not contented with yourself until you have made the best of them; to despise nothing in the world except falsehood and meanness, and to fear nothing except cowardice; to cover nothing that is your neighbor's except kindness of heart and gentleness of manner; think wisdom of your enemies, often of your friends, and everyday of Christ, - these are the guideposts that Robert N. Perry, Jr. has constructed for himself. These form the man as we see him.

He is an able man who shows his spirit by gentle words and resolute actions; he is proud of Cohen and Cohen is proud of him.

We say of Robert N. Perry Jr.

He prepares a lesson for us each day,
He finds the clear fountains of instruction,
Little by little he shows us the beauty of truth,
He takes us by the hand to the hilltop of vision.

The Students, Faculty and Ma-La-Co Staff deem it a distinct honor to dedicate our 1967 yearbook to a scholar, a fine principal, and a true friend - Mr. Robert N. Perry, Jr. for we love you with all our hearts.

DR. CHARLES BOWERS

Dr. Charles Bowers has been a physician in the city of New Orleans since 1919. Many have been the honors which he has received. He was a Rosenwald Fellow, Bellevue Hospital 1937-38, with the city Board of Health for over twenty-five years, director of Outpatient Clinic of Felix Goodridge Hospital, most outstanding graduate of Dillard University and has been a member of the choir of First St. Methodist Church for over forty years. He is the father of Dr. Charles Bowers, Jr.

Dr. Bowers has been the doctor for Cohen's football team since 1949. We salute our esteemed friend.

A Special Tribute To Two Co-Workers

MR. ROBERT E. LEE

Robert E. Lee, former Boys Counselor of Walter L. Cohen Senior High School, was promoted to Assistant Principal of the Carter G. Woodson Junior High School in August, 1966. Mr. Lee, during his stay at Cohen, proved himself an excellent Mathematics Teacher, Boys Counselor and Athletic Assistant Coach.

We wish him success in his new job.

Wa-Lo-Co Salutes Two Very Wonderful Friends

Miss Price's present employment is with the State of California, Division of Vocational Rehabilitation, Los Angeles Central Region Office as a stenographer. Her specific assignment is memo to Research and Statistics. Her office collects and records statistics in various categories of persons being helped by the program.

Past employment includes work with Youth Authority and Adult Authority, State of California.

Before going to California Miss Price was our secretary here at Cohen. Everyone loved her very much. We were honored by her recent visit and sincerely trust that she will consider returning to New Orleans to live.

Please hurry back.....

MISS ANNABEL PRICE

A Story Of Success

MR. CHARLES KILBERT

Charles Joseph Kilbert, former Social Science Instructor, Chairman of his department and Chairman of the Discipline Committee at Cohen, received his promotion in August, 1966. He is now Assistant Principal of the Andrew J. Bell Junior High School.

Cohen High misses Mr. Kilbert as an all-around person and a wonderful friend.

The students of A. J. Bell are indeed fortunate.

*To Our Most Outstanding 1953 Graduate
This Tribute Goes*

DR. DORIS WRIGHT FRANCIS

Thank you for such a tribute. It has further stimulated me to continue onward in search of knowledge to keep pace with the changing world. Listed below are fragments of the chain of events leading to my present status. It is my sincere hope that it will encourage someone else.

- 1949 - Completion of Grammar School - St. Jean of Arc
- 1950 - Completion of High School - Walter L. Cohen
- 1957 - Completion of Pre-Medicine - Xavier University of the South
- 1960 - Received Medical Degree - Meharry Medical College
- 1963 - Married Dr. Howard J. Francis who is presently an assistant investigator in the Cardiovascular Research Project at Meharry Medical College
- 1967 - Presently completing a Fellowship in Hematology at Vanderbilt's Veterans Administration and Vanderbilt University Hospital. In July I will be on the Senior Staff at George Washington Hospital in the field of Hematology.

Each graduate has inherent potentials which can be used to the utmost if he is willing to work as if everything depends on him and pray as if everything depends on God. Man's continued striving toward success depends upon his ability to keep on trying in spite of any obstacle.

I lost my hearing in 1964 and needed surgery to help restore it partially. In January of 1967 a modified surgical technique performed on the opposite ear established almost normal hearing. I did wear an aide in medical school but now I no longer need it.

Each of you has a vital purpose to fulfill; if you desire it, you can.

Dr. Francis is the daughter of Mrs. Ethel M. Jackson who still resides in New Orleans, Louisiana.

THE FIRST DAY OF SCHOOL.....

THIS IS OUR OWN SHORTY,
A REAL SWEETHEART.....

IF I GET IN, CAN I STAY????????????

THIS IS THE LINK.....

I DON'T THINK IT'S FUNNY...

WHERE AND WHAT IS DINNER???????

WHERE IS THE MISSING RING?????????

GEE! AM I HUNGRY.....

SMILE, YOU'RE ON CANDID CAMERA!

THAT WAS GOOD.....

SAY "CHEESE".....

AM SHUCKS NOW.....

OUR BAND MEMBERS RELAX.....

MAN, THIS STUFF JUST KILLS ME.....

AM, IT CAN'T BE THAT BAD.

HOW FOXY CAN YOU GET??????????

WHAT? NO FRESH BREAD YET.....

I'M FULL.....

WHY AREN'T YOU DANCING????

WELL, I TOLD YOU NOT TO DO IT.....

WA-IO-GO boasts ten years of successful D. E. programming within fourteen years of existence at Walter L. Cohen Senior High School. From ten active training stations we have grown to a potential of forty-five, presently using thirty.

Cohen's D. E. students have in the past competed with DDEA Champions from Texas and Arkansas and have won for themselves seven state trophies from Texas Champions.

WE HAVE COME OF AGE.

Our Creed

We believe in the future which we are planning for ourselves in the field of distribution, and in the opportunities which our vocations offer.

We believe in fulfilling the highest measure of service to our vocations, our fellow beings, our country and our God - that by so doing, we will be rewarded with personal satisfaction and material wealth.

We believe in the democratic philosophies of private enterprise and competition, and in the freedoms of this nation - that these philosophies allow for the fullest development of our individual abilities.

We believe that by doing our best to live according to these high principles, we will be of greater service both to ourselves and to mankind.

A SPECIAL TRIBUTE TO MY GRANDMOTHER

With deep gratitude and an everlasting
spirit of thankfulness, I, Troy Vincent,
dedicate this page to my Grandmother as
my guardian whose every living moment
has been used toward promoting my happi-
ness and my education. Sharing this very
hard job is Mrs. Hazel Lawson, my aunt.

I want to say a special "Thank You" to
Mrs. Margery A. Sartor, whom I shall
never forget.

To ALL who helped to make my high
school career a happy one, I am grateful.
Thanks again to all of you!

Love,
