DEDICATION

Perfect Mother, divinely planned
To guide, warn, comfort and command,
To you our pledges here we give
And ask that you will help us live
Our lives that we may be like you—
Seeking God in all we do.
Make as yours our immortal soul
So we may reach our Heavenly Goal.

—Connie M. Marion '55

Reverend Mother M. Katherine Drexel
Beloved Foundress of the Sisters of the Blessed Sacrament
and
Mission Apostle of Our Own United States

IN MEMORIAM

After ninety-six years of fruitful labor for God and souls, our beloved Mother Mary Katharine, foundress of the Sisters of the Blessed Sacrament, passed to her eternal reward on March 3, 1955.

Born in Philadelphia, daughter of the wealthy banker, Francis Drexel, Mother M. Katharine spent her entire life and fortune for the betterment of the Colored and Indian races in the United States. She supplied for them from her own funds institutions of learning, from the elementary to the university level. To staff these schools, she founded her own Order of Sisters and provided for them excellent training in their fields. Outstanding lay men and women, noted for their leadership and efficiency, were also employed.

Xavier Prep is only one of the sixty-three of those schools scattered throughout the country. Through them, approximately 25,000 pupils are taught to become useful citizens of earth and heaven.

Although physically unable, in her later years, to carry on personally the vast work, Mother M. Katharine has been the guide and inspiration which has enabled her Sisters to continue the work she so nobly began.

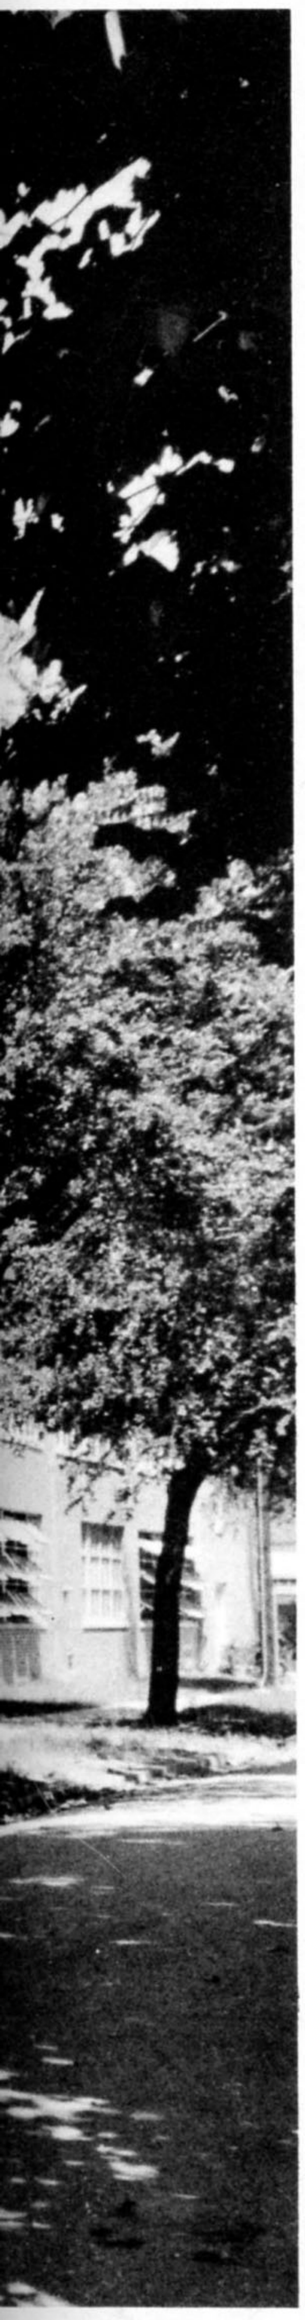

May her memory so influence our hearts and minds that we too may merit to hear, as we know she did, the approving words of the Master:

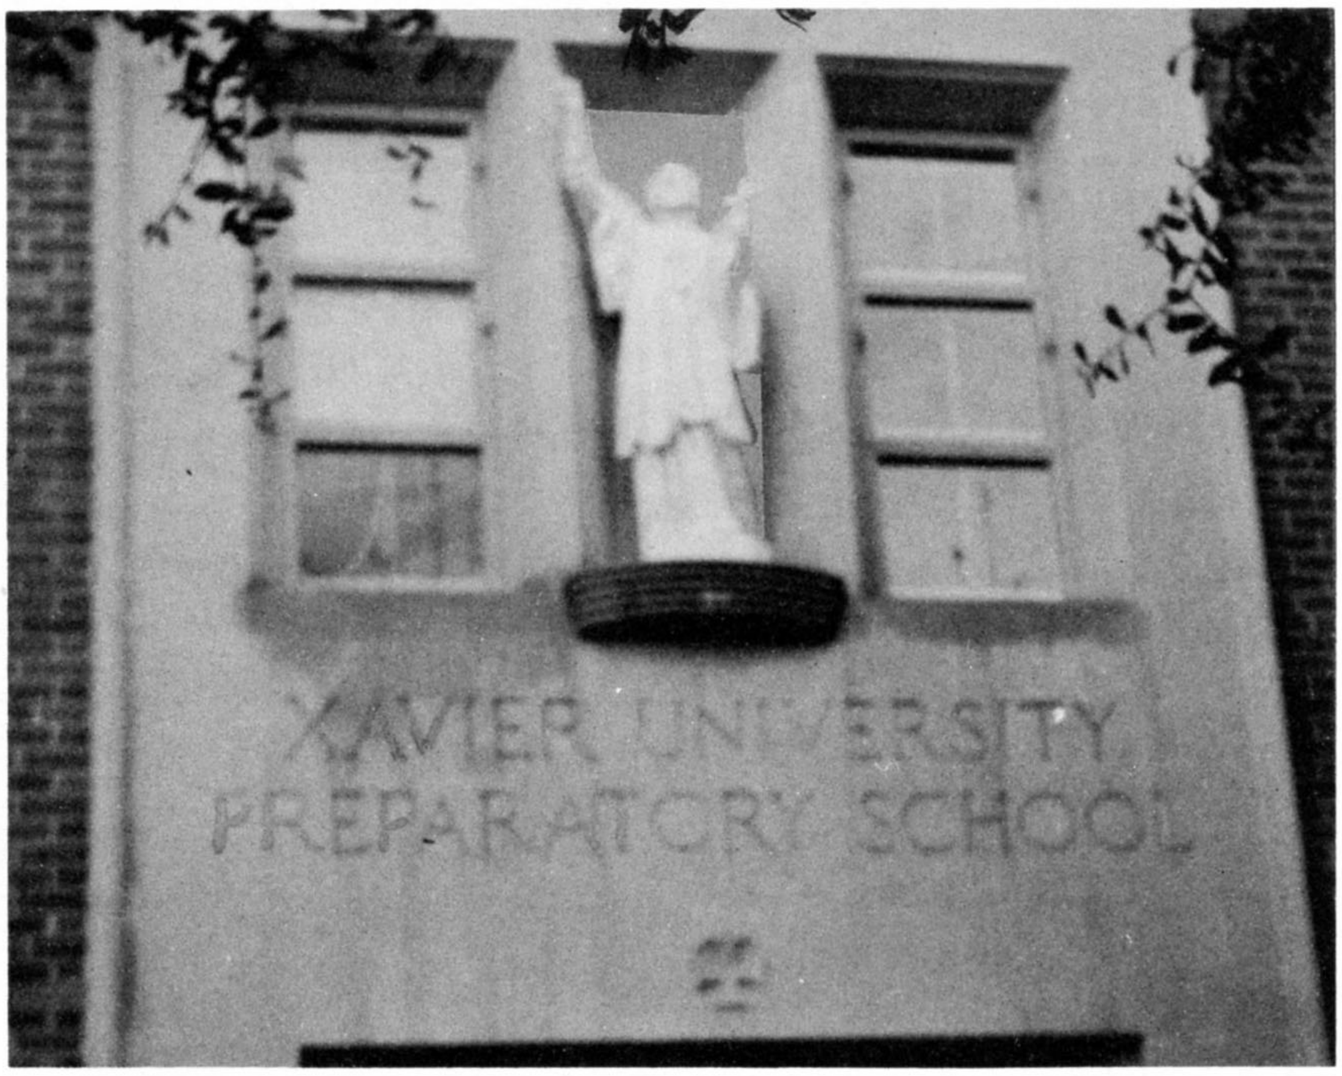

"Well done, thou good and faithful servant.
Enter into the joy of the Lord."

The new Xavier Prep dedicated on October 12, 1954, is one more evidence of the youthful vigor and perennial fruitfulness of the spirit of Xavier. This "New Xavier" replaces the original building. Opened as a high school in 1915, Old Xavier rapidly expanded to include a Teachers' College, College of Liberal Arts, and College of Pharmacy. In 1932, the rapid expansion necessitated the separation of college and high school. The college moved to Washington Avenue; the high school carried on in the old building.

In the Marian Year, "Old Xavier" once more responded to growing needs. Merging permanence with change, in another progressive step, she gave to youth the modern, well-equipped spacious building that is pictured above—the NEW XAVIER PREP.
