Ecclesiastes 3:1-9

"To everything there is a season and a time
to every purpose under heaven:
A time to be born and a time to die;
A time to plant and a time to pluck up that which
is planted;
A time to kill, and a time to heal;
A time to break down and a time to build up;
A time to weep and a time to laugh;
A time to mourn and a time to dance;
A time to cast away stones, and a time to gather
stones together;
A time to embrace and a time to refrain from
embracing;
A time to get and a time to lose;
A time to keep and a time to cast away;
A time to rend and a time to sew;
A time to keep silence and a time to speak;
A time to love and a time to hate;
A time of war and a time of peace."

FACULTY AND ADMINISTRATION

Xavier Prep
New Orleans, La.
May 24, 1972

Dear Students,

"There is an appointed time for everything; A time to be born and a time to die, a time to plant and a time to uproot the plant." Birth - Death; Death - Birth; Planting and uprooting; Uprooting and Planting; Commencing and Ending. These are the rhythmic series of every life.

In 1968 you died to one phase of your life and were born again into the life of Xavier Prep. For four years you have participated in, contributed to, and been enriched by experiences that were carefully assigned to assist you to form yourself into the capable, concerned Christian Black Woman.

Now, Prep life ends with Commencement 1972. Birth into the responsibilities of early adulthood begins.

Your Alma Mater prays that each rhythmic commencement of your adult life may see you as an ever more richly human Christian Black Woman willingly living and giving to enhance your own life and that of your fellow travellers. And when there comes to you that final death, I pray that from your birth into, commencement of, the eternal possession of Life Itself - Life that is Truth, that is love, that is Christ, that is God.

God Bless each one of you!

Seniors '72

Baccalaureate

"Behold" was the theme of our Baccalaureate Mass. Father Maurice Wernert deeply expressed the idea of uniqueness and that everyone is an individual person who should work to his own capacity. No one but you can truly determine what you are capable of doing with your life.

"You Are a Child of the Universe,
No Less Than the Trees and the Stars;
You Have a Right to Be Here."

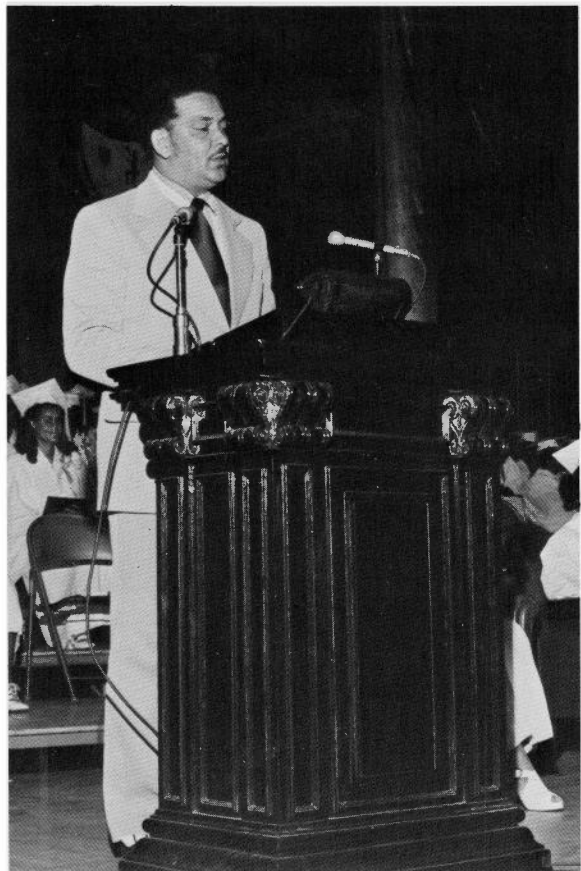

Graduation, May 24, 1972

The commencement of four years of hard yet pleasant work, this year's graduation day was a day of joy and yet one of much sadness. "Still we all must face tomorrow and the world which awaits our arrival."

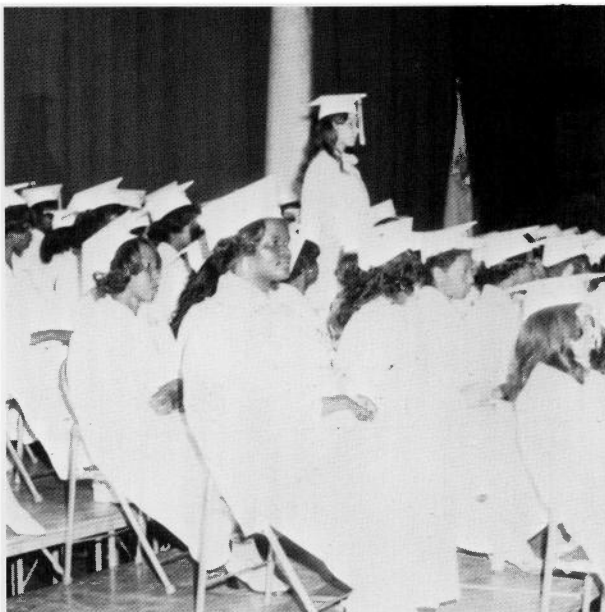

Valedictorian Cecily Poree (Left) and Salutatorian Patricia Reynaud give their addresses.

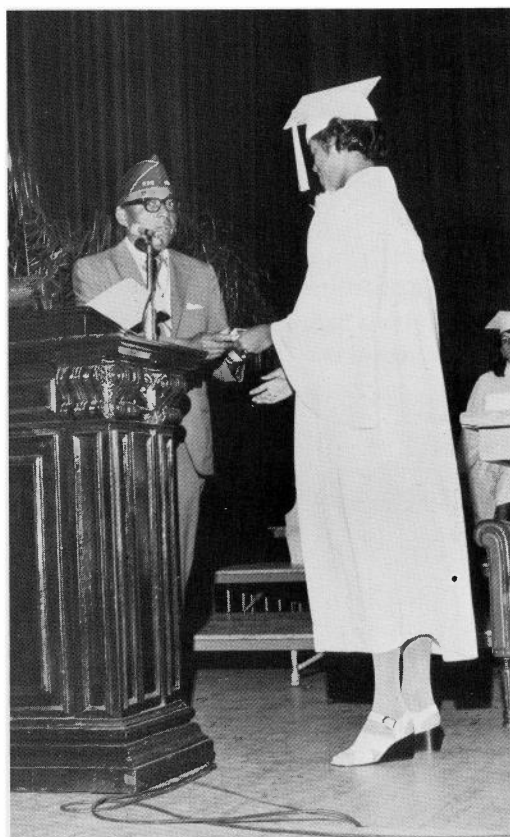

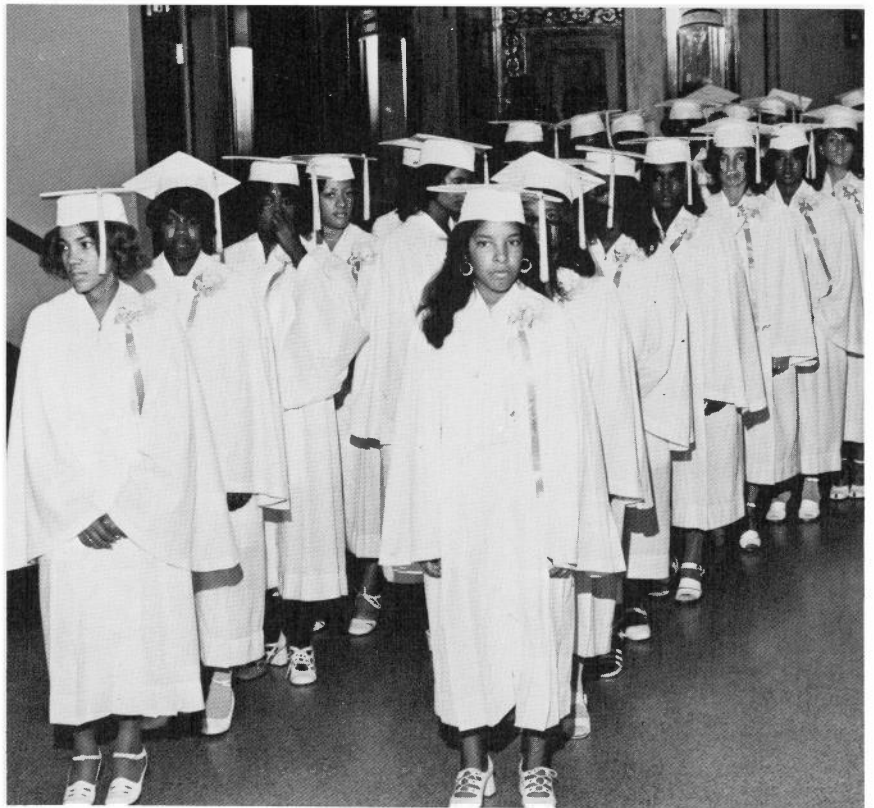

Mr. Sidney Cates, a graduate of Xavier Prep, was an honored guest at the exercises.

Scholarship winners were applauded.

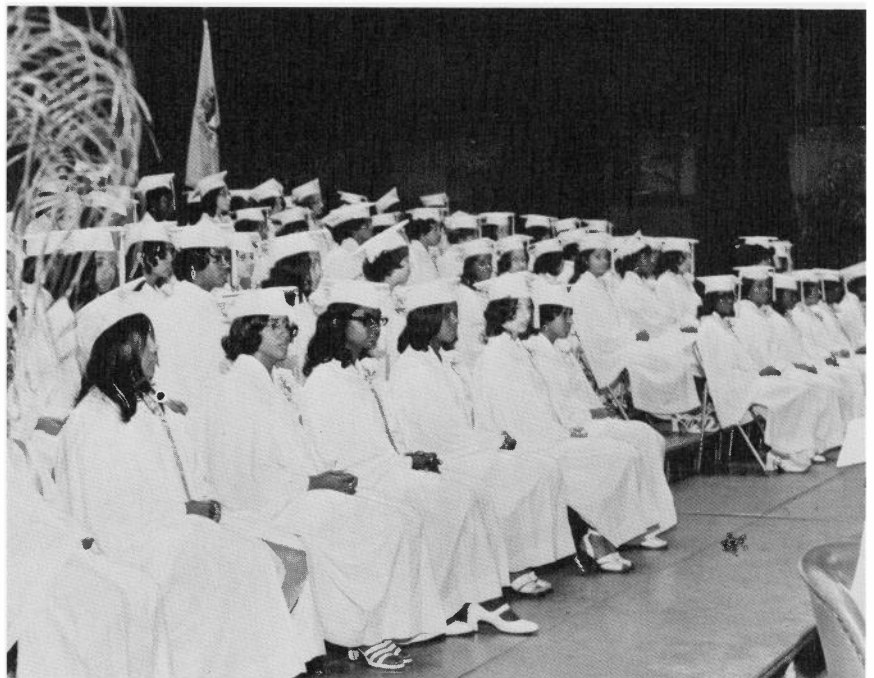

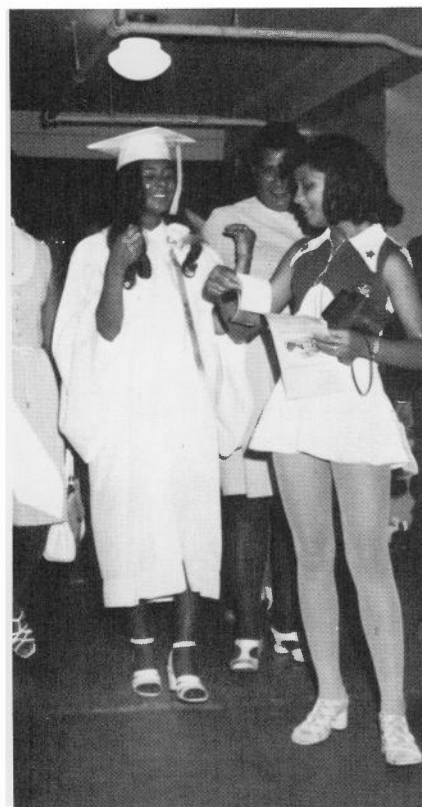

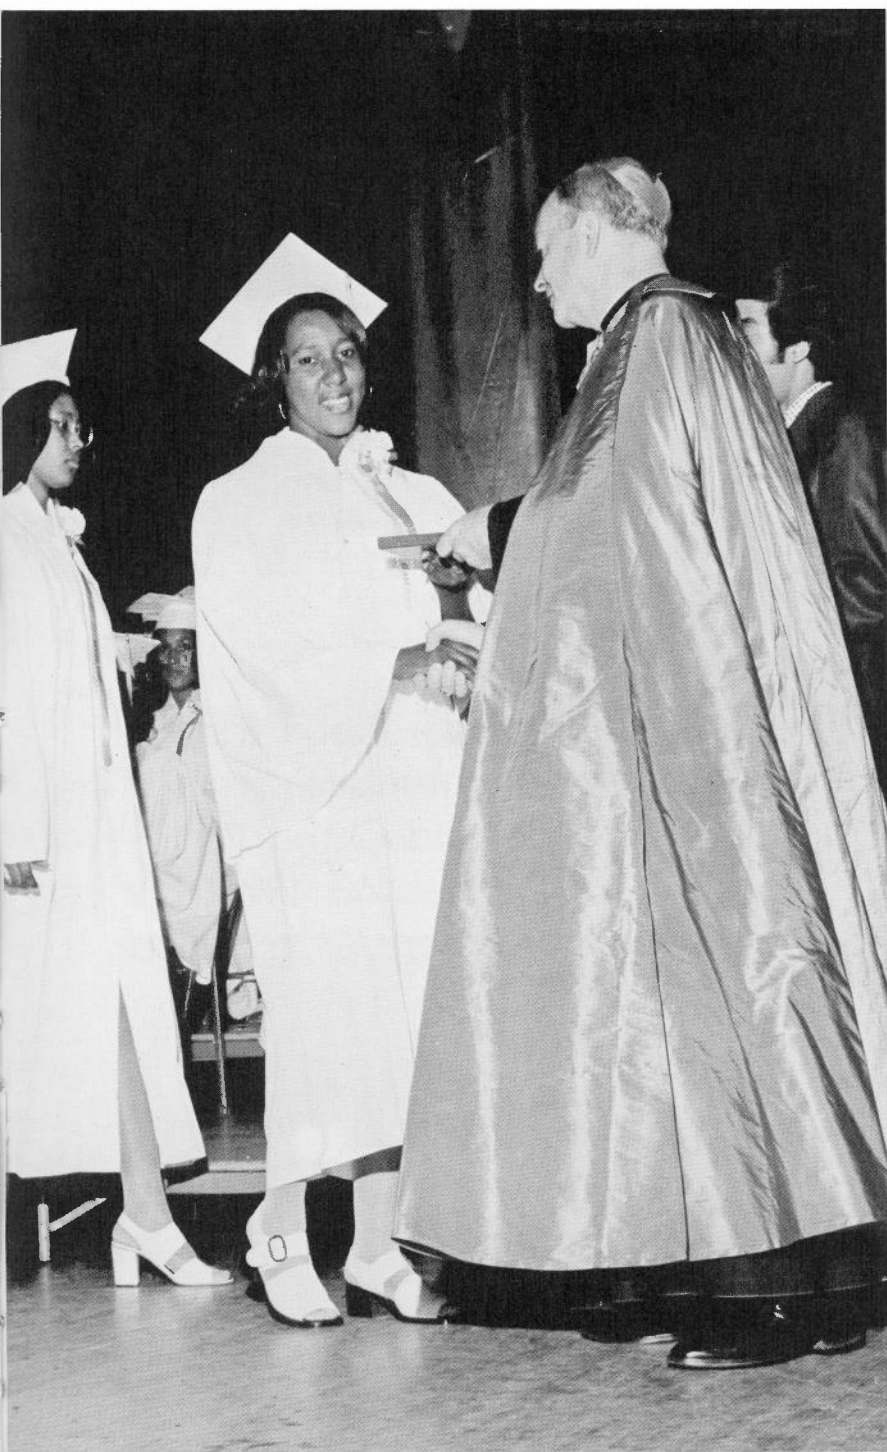

Shelley DeMar receives her award.

And as we bid farewell to
our youth, we give a hardy
greeting to the rest of our
lives.

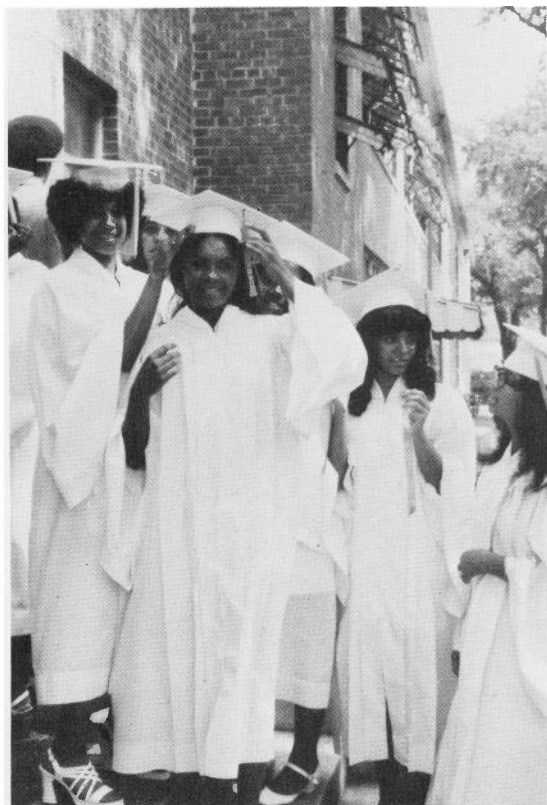

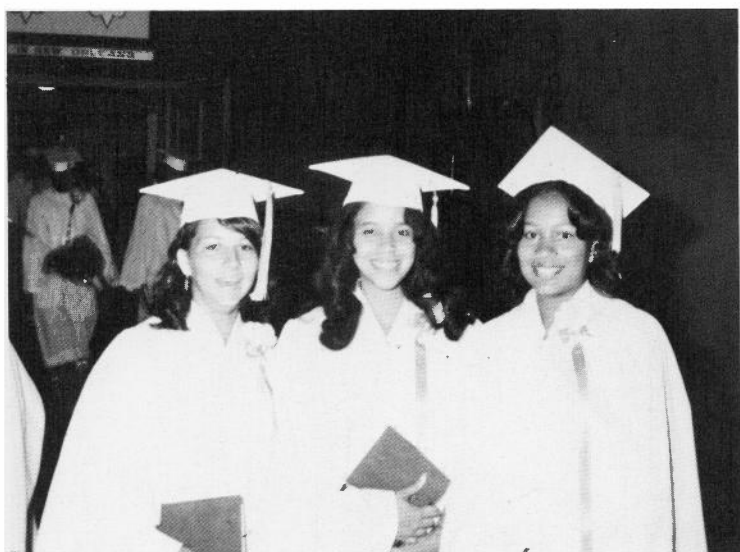

“. . . Take Kindly the Counsel of the Years, Gracefully
Surrendering the Things of Youth. Nurture Strength of
Spirit to Shield You in Sudden Misfortune . . .”

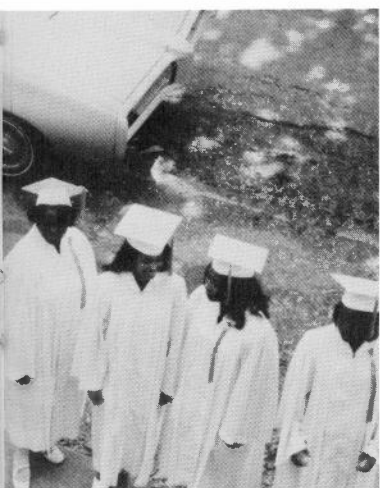

“There’s a Place for Us
Somewhere a Place for Us
Peace and Quiet
And Open Air Wait for Us
Somewhere.”

“There’s a Time for Us
A Time and Place for Us . . .
We’ll Find a New Way of
Living. We’ll Find a Way
of Forgiving.”
