Foreword

Another year in our high school careers has come and gone. It is traditionally the purpose of the "PIRATE" to present a pictorial review of these years. The emphasis is on you--the student. As you turn the pages of this 1962 edition, you will relive the many happy days spent at dear Mossville High School. It is the wish of the Pirate Staff that you will find all phases of your high school life faithfully and pleasantly presented here.

DEDICATION

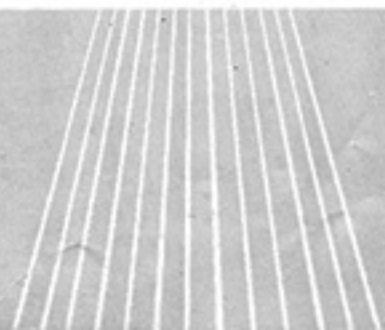

Patrick Henry says, "The only way to judge the future is by the past". It is with this thought in mind that the staff dedicates the 1962 annual to Mrs. P.M. Washington.

She has a past that is worthy of note. Her first work in Calcasieu Parish started in 1937. For the last nineteen years, she has worked in the Mossville Community progressing from a two-teacher Elementary school to the present high school.

The staff proudly salute you, Mrs. Washington for your continuous work that has helped the school and community to expand.

Administration

PRINCIPAL'S MESSAGE

One of the distinguishing marks of growth at its best is its audacity, an audacity born of a burning faith that it can dream of undiscovered worlds and then go forth to find them and possess them, that it can adventure an uncharted sea and brave the storms and come home alive, that it can attempt where many have tried and failed and yet succeed.

The staff members of the Pirate have walked in this tradition of audacity and have won. The administration is happy to salute them, the students and faculty members, for cooperative endeavors in this true Mossville Spirit that made this yearbook possible.

May these pages revive moments of high resolve and days of crucial decision or evenings of laughter and fun experienced here at Mossville High School in 1961-1962 stir you to a noble and creative action in all the years that lie ahead.

MEMORIES

To the late deservedly beloved Willie T. Garrick, friend to all, dedicated, worked and devoted his energies to the betterment of the Mossville School. He was a good husband, responsible citizen, and an active christian who gave more than one man's share to the school and especially to the athletic department. The many times that we had to call upon you to provide transportation for us when the way of going seemed to not be in fore sight will not be forgotten by any of us. You will forever linger in our memories.

Words are the means of expressing gratitude, exceptional inspiration and endless fine deeds. With this in mind, we leave this entire annual in memory of you.

Pirates' backfield composed of Lionel Goodwin, Leeman Shankle, George Kelly, Williard Goodwin and Murphy Read at center.

Second row, left to right: J. Adams, D. Drake, M. Miles, B. Wilrye, B. Washington, J. Carrier, M. Singleton, and C. Tutson.

The 1960-61 season was Coach Williams first at Mossville. Coach Williams can rejoice in a glory that few, if any, can-- a state championship in both football and basketball in his freshman year as head mentor. His dramatic athletic year came to an end at Southern University where he was defeated by Channeyville in the All-Classification Tournament in an elimination for a representative of Louisiana in the National Tournament. Odds are in favor of Coach Williams repeating his unheard fete in his sophomore year also. The Pirate Staff pulls for you!!!
