Peabody High
Alexandria, Louisiana

Warhorse Honors Mrs. T. G. Berry

"Death ends the dreamer, but not the dream."

Sir Brooke Boothby

Many years ago a lady with a beautiful dream joined the Peabody Faculty. Her dream, to see a well-equipped library as a part of the Peabody School Plant, was realized shortly before her death. Her efforts, in collaboration with those of the principal, Mr. D. F. Iles, and the cooperation of the Rapides Parish School Board resulted in the addition of the beautiful, well-equipped library which we now enjoy.

Death ended the dreamer, but the dream, the beautiful library, lives on as a memorial to Mrs. T. G. Berry, the first Librarian of Peabody High School.

The 1966-67 Yearbook Staff dedicated this book as a second memorial to the dreamer, Mrs. T. G. Berry.

Library

The function of the library is to serve as an agency to supplement and enrich the curriculum and to provide a materials' center of learning for every child and faculty member in the school.

1966-1967 Yearbook Staff

This year's staff has been working diligently to make this yearbook the best yearbook ever published. We would like to give special thanks to our sponsors who made it possible for us to have had this experience.

It has been said that one opens a good book with anticipation and closes it with profit. The basic idea in planning the WARHORSE has been the creation of a book that will meet these requirements.

The staff hopes you will begin reading the history of this year with a great deal of anticipation. When you close this book, it is hoped that you will have reaped a profit of renewed memories of the days of the old Green and White.

Administration

Message From The Principal

In this confused and highly technological age in which you as young people find yourselves, the demands are numerous and great.

Perhaps the most compelling demand is for "Excellence" in all of your endeavors. You must equip yourselves with the requisites to meet the countless demands that this age presents.

In order to be gainfully employed in the future, one must demonstrate qualities that generate excellence. Among these qualities are courage, adeptness, animation, sincerity, honesty, curiosity, invincibility and faith.

The world today needs prepared and dedicated leaders for its survival. It also needs Christian men as well; for without Christ no nation can long survive.

My admonition to you as young people is this: Go forth from these "hallowed halls" of dear old Peabody with the determination to incorporate into your lives and work all of those virtues that will contribute toward developing you into worthwhile citizens of the world.

Class History

The Senior Class can very well be compared with a budding rose. In order for a rose to develop, it must be well-nutured and properly cared for. The factors apply to a good Senior Class. Being properly fed with thorough knowledge and special attention given to failures and weaknesses, then and only then will that class become a cultured group of individuals.

To further compare the Senior Class with a rose, we may note that just as a rose buds and sheds its petals, so has the Class of '67. Many of our classmates have fallen along the way. But those of us, who have taken advantage of the special attention given us by our competent instructors are ready to be plucked and placed in a bud vase for exhibition.

The stages of development of the Senior Class of 1967

Class Prophecy

With a magic power that has been bestowed upon us during our 3-year sojourn at dear old Peabody, we project you into the distant future in our newest space capsule.

It seems that history is constantly repeating itself. The minute-mini dress, which was designed and made by Theresa Young, is a great hit on Mars as well as on Earth. Miss Young's main office is located in Paris, France, clothing capital of the world.

Paul McGraw, internationally known artist, has just re-designed the rings around Saturn. This success is only one of his many achievements. After landing on Jupiter and establishing the world famous Planetarium Cleft Club, Donald Sibley and Glenn Spelling paid Paul a visit. They entertained him with their latest song, "A Place In The Sun." Naomi Jenkins and Johnny Johnson, who accompanied them, sang "Something You've Got."

Meanwhile, back on Earth Roase Wilson, Shirley A. and Shirley L. Brown have started a basketball club that is called "THE GLOBE-TROTTLETS." They acquired this name after they defeated the once famous Globetrotters.

Vera Handley, Lois Kirk, and Katie Moore have just opened in the popular movie "Baby The Rain Must Fall." Each of these well-known actresses turned down an offer to star in the picture "Lolita."

Sidney Irving, who just returned from the Crusades, is a constant companion of Billy Graham. Billy Williams, who was converted by Rev. Irving, is now his right hand man. Ira Coty is debating whether or not he will accept the position as Rev. Irving's private secretary and advisor.

Upon graduating from Morehouse College, Charles Burris was offered the position as Dean of Men there. He did not accept because by this time he had become money crazy, so he and Albert Sanders decided to open a gambling casino (THE CASSINO) in Las Vegas. They broke up the old syndicate and formed a new one. Albert was then known as Mr. Conservative. (He eliminated Burris). At THE CASSINO, Althea Andrews starred as a Go-Go Girl, using as her stage name "Little Eva."

FLASH!!! Earline Anthony and Johnny Green have just returned from Acapulco on their honeymoon. If they had stayed longer, they would have seen multi-millionaire James Earl Williams and his bride, Brenda James. It is rumored that when they return, Brenda and James will move into a 15-room mansion.

In the business world, Robert Reed has just bought out two more businesses. He now owns Macy's and Tiffany's. He has obtained the services of the world's most efficient secretary, Berdell Johnson, who will serve as his private secretary. His other secretary, Shirley Boss, is managing his private office in Tahiti.

Janice Woodfox and Charles Joiner are still madly in love. They have produced a serum of "Love Potion #9." Because Janice and Charles don't need it, they are willing to share it with those less fortunate.

Percival Kane, the world's most intelligent man, is leaving for Belgium next month. His mission is top secret, but it is suspected that he has developed some type of pill that prolongs youth. His capable assistant, Brenda Young, will accompany him.

We can feel the effect of the magic wearing off, as our capsule glides toward Earth again. We hope you enjoyed our imaginary journey through time and space. Good-bye now.

MISS ADELLE JOHNSON
MR. ARTHUR ALLEN

MEMBERS

The Science Club supports and encourages all scientific projects and endeavors by members of the club. In particular, it strongly encourages the members to organize science papers and projects for the science fair. Equally important, an award is presented to the outstanding senior boy and girl in the field of science. In addition, field trips are sponsored to further scientific interest.

To prepare to educate the youth of tomorrow, join the P. T. A. and learn what its all about. The field of education needs bright, dedicated people.

Officers of Thespian Troupe 1009, are: Vera Handley, president; Lois Kirk, vice-president; Helen Carter, Secretary; Brenda Davis, business manager; Eulalia Edwards, treasurer; Janice Woodfox, parliamentarian

MOTTO: "Act well your part, there all the honor lies."

Directors: MRS. ROSA B. WHITE, MRS. D. JANE ANDERSON

The Executives

... Shorthand Club

Learning by doing is the idea in the shorthand class. Taking dictation and transcribing is the most important factor in the class.

The officers of the club are:

LINDA DAVIS - president

SHIRLEY BOSS - vice-president

JANICE WOODFOX - secretary

IRA COTY - treasurer

ROBERT REED - business manager

BERDELL JOHNSON/SHIRLEY BOSS - monitors

MISS A. TENNESSEE - sponsor

The Clerical Practice Classes

Vocational training for the business field is offered in the Business Department curriculum. These courses supply not only unlimited opportunity for students planning to pursue a career in business, but also offer specialized subjects, such as personal typing and theory.

The French Club

The primary aim of the French club is to promote an interest in French.

Miss Bertha L. Boyd is the sponsor.

The Library Staff

The library staff consists of students who are willing to give up their activity period to help improve the library. With the help of these students, Miss Hazel Harris and Mrs. Patricia Winnfield, are able to operate the library and keep it neat and orderly.

The Band

The spirited Warhorse Band marched through another year of continuous service and activity for the school and community. Much credit is to be given to the "Marching 100", who have tirelessly worked to make this the biggest year ever.

Academics

Government changes constantly and reflects the political, social, and cultural development of a society.

It is our young people who must take over and carry the torch of freedom for the next generation. How well they face this challenge will depend on how well they learn the rights and duties of citizenship.

The Social Science teachers at Peabody High School help our young people meet this challenge by establishing sound ideas about our democratic form of government.

The Office Staff

Members of the office staff: Alzata Young, Patricia Davidson, Dorothy Phillips, Thomas Faye Cotton, Shirley Sanders, Helen Carter, and Lillian Pleasant.

The Future Nurses

This organization now consists of many girls who enjoy the responsibility, and working atmosphere found at the hospital.

Snapshots

My first date ! ! !

You mean I really won the beauty contest?

You're really going to the Prom with me?

Boy!! Mrs. Baker's Lit is driving me nuts.

It tears me up!

Will May ever get here?
