## ALMA MATER

*Words by Ora Garman  
Music by Mrs. Parker*

West Side, West Side, we love thee.  
Loyal faithful we'll always be.  
Honor and fame with thee we'll share.  
Deep in our hearts you'll always be there.

*Chorus:*

Oh West Side dear, we're glad we're here  
To praise and honor you through future years.

West Side to thee we'll be true.  
Love, obey, and cherish you.  
Telling your greatness,  
Singing your praise.  
Let every voice of West Side raise.

West Side, West Side, where ever we roam.  
No matter where you'll always be home.  
Though it be near or far, far away.  
God bless you from day to day.

*Mr. Martin*
