Pluck sweet flowers while you may,
At eventide or dewy morn.
Surely there will come a day
When you must pluck the thorn.

Do kindly acts at time of need,
Ere the chance be gone,
Thus you will implant the seed
Of deeds yet unknown.

PRINCIPAL'S MESSAGE

Congratulations to the parents and members of the Class of 1969 for the determination you have exemplified in accomplishing this objective. We think you are aware that the demands of our present society require that you continue your education in order to acquire the knowledge and skills necessary to cope with the technological changes and dynamics of every aspect of American life.

It is our belief that the experiences you have acquired in school will help you to meet the many challenges of the future, and provide the opportunities for you to continue to formulate sound values that will lead to success and happiness throughout life.

We sincerely hope that the Class of 1969 will be guided by the following passage:

...Life is real! Life is earnest!
And the grave is not its goal;
Dust thou art, to dust returnest,
Was not spoken of the soul.

Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each tomorrow
Find us farther than today.

...Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;

...Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

--Henry Wadsworth Longfellow
