Foreword

This is a book of remedies, tried and true, for the heart that longs to remember life at Holy Rosary Institute. As the mirror on the wall keeps one acquainted with his image, so will the reflection of our memories keep alive within us: a love for the place which has nurtured and activated our innermost abilities and desires for learning; an appreciation for the people who have geared us toward the pathways of efficiency in education; and awareness of the spirit which sustained our faith when the future seemed uncertain; and a longing for those times that we shared preparing for excellence in our quest for knowledge.

We have herein depicted our world as we know it - The administration, the faculty, the classes, the organizations, the sports, and activities. Each richly rewarding page bids us to return to those happy, yet sometimes sad, but always interesting experiences. We hope this book will serve as a reflection of those memorable moments shared by the Rosary Family along the avenue oaks.

Fair Rosary, the Place. We, the People. Determination, the Spirit. 1966-67, the Time.

THE PLACE

A silent campus scene, our Christmas finale.

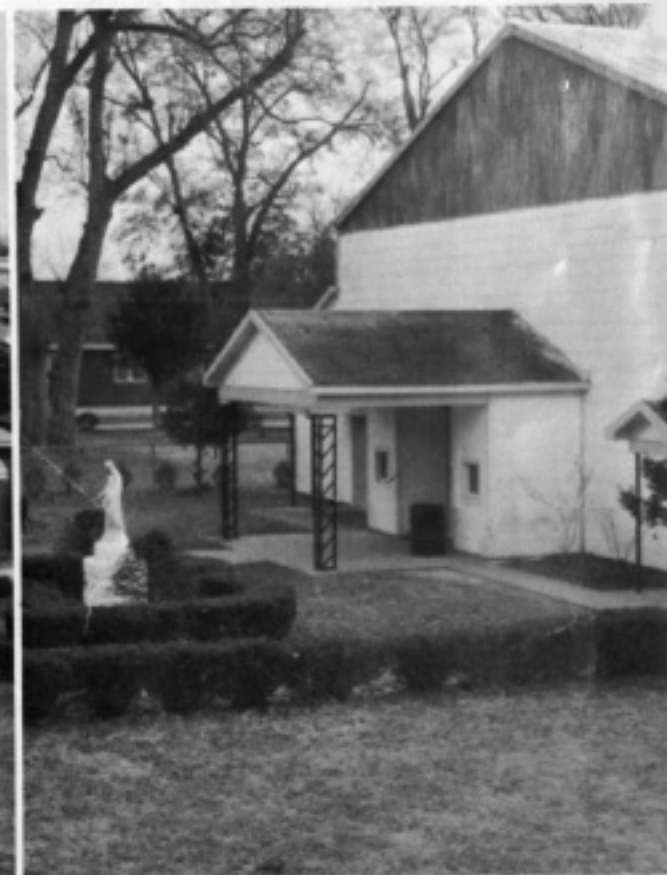

Our private counselor after the days' work is over.

Our home away from home.

The center place of our spirit, laughter, and sadness.

REVEREND MOTHER MARIE ANSELM
Mother General of The Sister of
The Holy Family

In appreciation for your devoted years at Holy Rosary Institute the Seniors wish to thank you, Our Director, Rev. William Oliver.

Fr. Oliver is a native of New Orleans, Louisiana. He attended Corpus Christi Elem. School and entered St. Augustines Seminary in 1943.

In May 1958, Director Fr. Oliver was ordained and said his first Mass at Corpus Christi Parish in New Orleans. His first assignment was at St. Theresa Seminary Mary Grove, California. September of 1960 found him assigned as assistant to the late Rev. Charles Windolph. For two years he was in charge of the boys department. After the death of Fr. Windolph, Fr. Oliver was appointed Director of Holy Rosary. He received his Masters in Social Science from Catholic University of America in 1959. Presently he teaches Religion to the Seniors and English I to all the Freshmen classes.

Fr. Oliver holds the interests of Holy Rosary students close to his heart and does everything within his power to work for the betterment of our school.

Faculty and students alike respect Fr. Oliver for his foresight, intelligence, warmth, and endurance.

We hope that Holy Rosary Institute will have the privilege of his guidance for many years to come.

Despite the many problems our Director has at our school he faces the world with a smile.

Fr. Oliver gives awards to Elaine and Cedric during an honor assembly held on campus in November.
