PRINCIPAL'S MESSAGE

Greetings:

May your days be bright and prosperous all of 1961. Looking back now, we are half way in our fourth successful year. The faculty, school staff and students would like to say "Many thanks to you"--for your kindness, thoughtfulness and helpfulness. Without you, we could not have made such a mark in the history of Westside.

I am sure that all of our friends in our area, faculty, students and staff workers agree with me in saluting the sponsors, Miss Maude Carodine, Mr. Claude Sims, Editor Donald Cole, President James C. Bolton and members of the (Senior) Class of '61 for the second consecutive yearbook, giving us a record of three yearbooks out of four years.

Everyone is familiar with Westside's achievements, our standards and our future hopes. For that reason we shall not take time to mention each one.

Our school won the J. W. Fisher Memorial Trophy for amassing more points literary and athletics than any other single "A" school in the State of Louisiana, which represents real achievement.

This book will point out much of our achievements, thus giving us our dream, "The Greatest Year." But we still must move upward. We must keep climbing--after all Westside is the Home of Champions. Champion in every respect. May you ever cherish this book.

Great minds have purposes;

Others have wishes

Little minds are tamed and subdued by

Misfortunes, but great minds rise above them.

--Megiddo Message

Yours eternally,

Clyde L. Oliver

Dedication

Our experience have been many and varied this year. This book is designed to recapitulate the high lights of those experiences. This year can never be relived, but in scanning through this book in future years, we may relive, mentally, the pomp and circumstance of this outstanding year. It is for this reason, the staff dedicate to you, Mr. London Stone, this issue of our yearbook in grateful recognition for four years of splendid service to the atheletic program of the Westside High School.
