

The 1964

JAGUAR

Alma Mater

O waverly dear,

We love thee, yes we love thee.

From day to day as years may come and go,

We'll give to thee our love and our devotion,

And everything to make thee stand the best.

We hope your name shall reign and reign forever,

When we have waved good-by and said adeiu,

We hope your colors fly and fly forever.

Then we shall shine and shine for having stood for thee.

Words: Mrs. Alice Jones

Dedication:

The 1964 Jaguar Annual is dedicated to Mrs. Eula Stout, Vice President of Our P.T.A., who has worked untiringly throughout the years.

Mrs. Stout has exhibited willingness, patience and understanding, as well as superb leadership.

We proudly dedicate this Annual to Mrs. Eula Stout.

TO THE STUDENTS OF WAVERLY HIGH SCHOOL:

Whether you are cognizant of the fact or not, you as students play an intricate part in the growth and development of Waverly High School.

It is because of your willingness to work, your ability to achieve, your desire to become a useful citizen, your trust and faith in your leaders, and most of all the love of your school, that steers Waverly on the road to progress.

Everything that Waverly is, you have helped to make it so. Therefore, it is left to you to put your best foot forward and help Waverly move ahead.

I would like for each individual student to stop and take inventory of yourself. Ask yourselves this question, "What have I contributed to make Waverly what it is?" Have you done your best? Can you truthfully say that you have added something to the growth of Waverly High School? Until you can answer "yes" to these questions you are not playing your part in the total improvement of Waverly.

We hope that you will look back at your years at Waverly High School with pleasure and a feeling of accomplishment.

Your Principal,

A handwritten signature in cursive script that reads "B. J. Franklin".

B. J. Franklin
