DEDICATION

Lord, make us instruments of Your peace. Where there is hatred, let us sow love; where there is injury, pardon; where there is doubt, faith; where there is despair hope; where there is darkness light; and where there is sickness, joy.

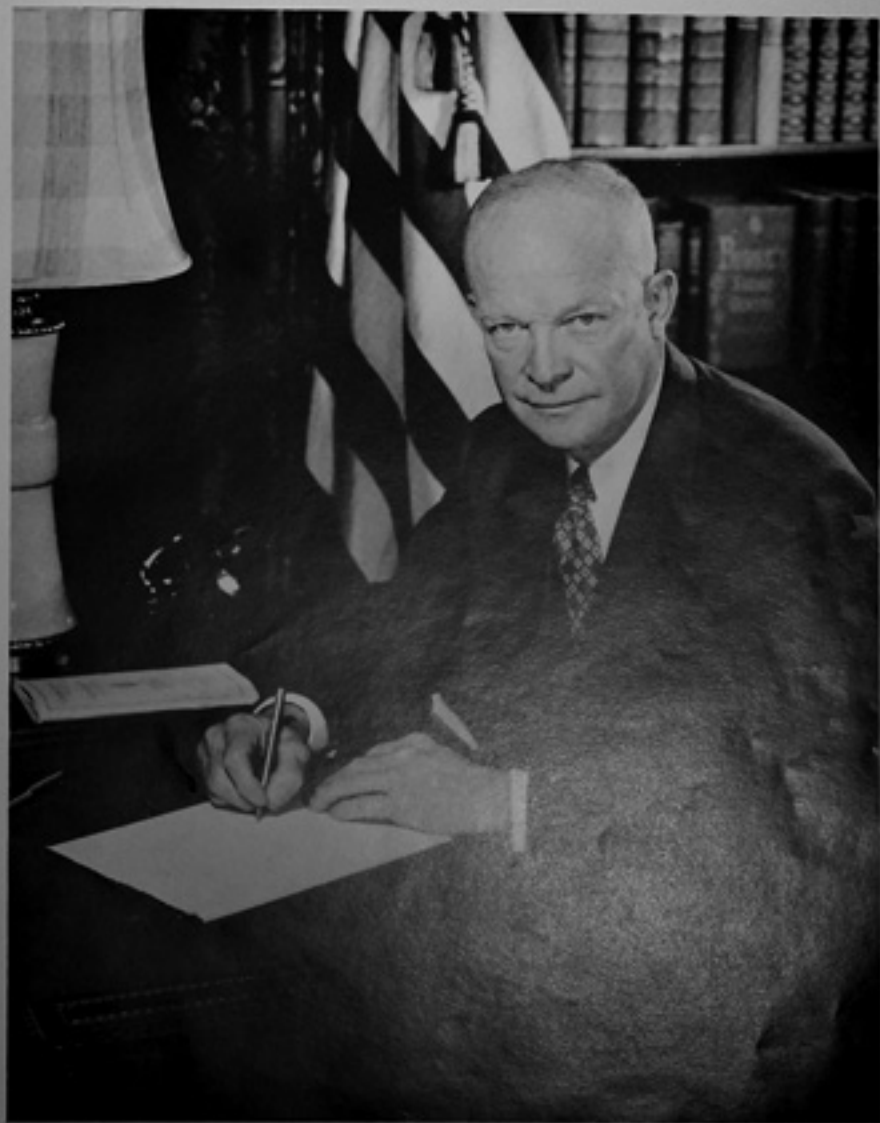

O Divine Master, grant that we may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life.
