

## St. Mary's! St. Mary's!

Down in old New Orleans in the Vieux Carré,  
There's a grand old school whose name is S.M.A.  
With its pretty color and its courtyard fair,  
It's the best school in the land, so turn your  
heart right there.

*Chorus:*

*St. Mary's! St. Mary's!*

*You're such a grand old school,*

*We'll say it with a smile,*

*We'll say it all the while,*

*St. Mary's! St. Mary's!*

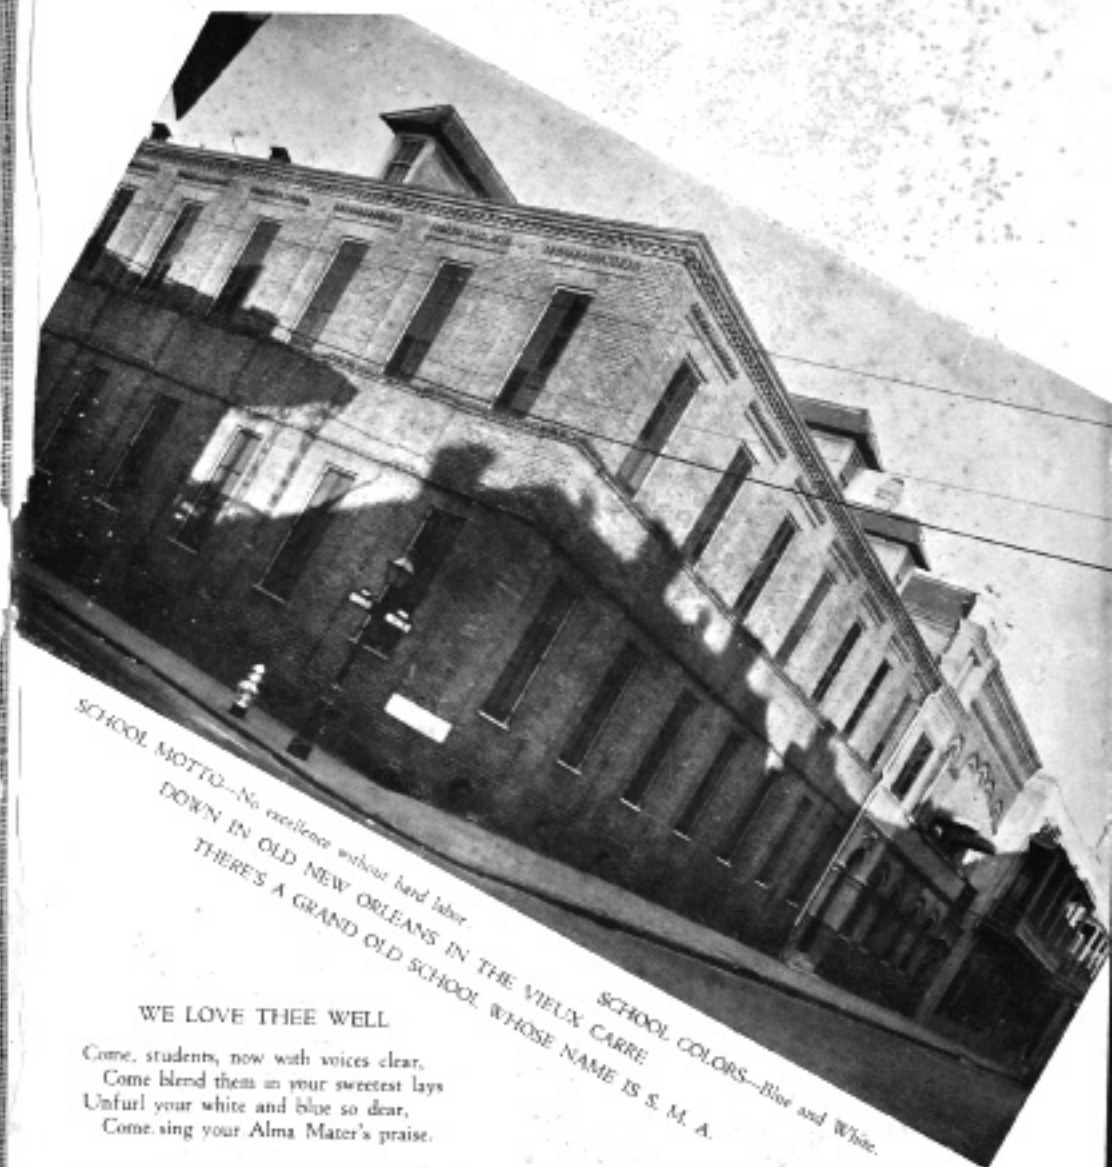

*We'll love you to the end;*

*And so you see in all the world*

*You're our best friend.*

People of New Orleans, you should know this school  
Where the children learn to keep the golden rule,  
With its flowing colors that are white and blue  
Which always demand our loyalty so true.

SCHOOL MOTTO—No excellence without hard labor  
DOWN IN OLD NEW ORLEANS IN THE VIEUX CARRE  
THERE'S A GRAND OLD SCHOOL WHOSE NAME IS S. M. A.  
SCHOOL COLORS—Blue and White.

## WE LOVE THEE WELL

Come, students, now with voices clear,  
Come blend them in your sweetest lays  
Unfurl your white and blue so dear,  
Come sing your Alma Mater's praise.

Our pilot and our guiding star,  
St. Mary's this of thee we tell,  
Thy children whether near or far,  
St. Mary's dear we love thee well.

St. Mary's truest friend and best,  
Thy lessons all shall cherished be,  
List to our tribute: Be thus blest,  
St. Mary's our dear Academy.

# MARIS STELLA

Mother, at your feet is kneeling  
One who loves you, 'tis your child  
Who has sinned to all he can  
Bless me, Mother, bless your child  
Mother, when we Jesus call we  
From this world so dark and drear  
From the woe of sinners  
Shield me, Mother, Mother dear.

Dearest Mother, tell my friends  
That I love them fond and true.

And O Mary, dearest Mother,  
Tell them I belong to you.

Plead for me when Jesus judges,  
Answer for me when He asks  
How I spent my many moments  
How I performed my many tasks.  
Mary, O my dearest Mother,  
Help it else to me be given  
As on earth I dearly loved thee,  
So to love thee still in heaven.

When the sea of life is rough and wild,  
Mary, come to the aid of thy helpless child.

## FOREWORD

"Press on and reach the goal  
And gain the prize and wear the crown,  
To thine own self be true and keep  
Thy mind from sloth, thy heart from soil  
Press on and thou shalt surely reap  
A heavenly harvest for thy toil."—(BENJAMIN).

From a Freshman class numbering 86 we are emerging as 31 Seniors. Keeping before us our goal we have "pressed on" to gain the prize and to wear the crown of "Victory".

Within these pages we present a glimpse of our struggles and our efforts to attain graduation at St. Mary's with the hope that they will be an inspiration to those who come after us.

REVEREND MOTHER MARY ELIZABETH

## Dedication

To the memory of our dear devoted Reverend Mother Mary Elizabeth, we dedicate this Twelfth issue of "Maris Stella."

Eight months after the celebration of her Golden Jubilee God took her to Himself. Forty-three years before she had entered the novitiate of the Sisters of the Holy Family and by her regular life of obedience and sacrifice, by her gentleness and charity she merited the esteem and respect of all with whom she came in contact. As the Mother Superior of the community and the guardian of the students at St. Mary's she won our love and admiration. Never too busy to attend our assemblies, nor too occupied to listen to our little confidences, her loss is keenly felt. Her words of encouragement and sympathy will always linger with us as a guiding light through the years to come.

*"Adieus and farewells are a sound unknown  
May we but meet you on that peaceful shore  
The parting word shall pass our lips no more."*—(COWPER).

## Senior Class History

A group of 86 Freshmen began on the journey which, some day, they realized would end. This career of ours was the greatest we had undertaken. We were two groups of Freshmen under the guidance of Sister Mary Dolores and Miss O. Williams. Some of us as Freshmen can tell how we battled with Latin.

Another year came and we had climbed one-fourth of the ladder, which would lead to our final goal. It was necessary to keep our chins up and to climb courageously. To our surprise we were 64 wise Sophomores. We thought that courage had to be gathered along the way in order to make our climb successful, so we gave a party to keep up our morale. Caesar had his battles but we had a battle also with Caesar. Our motto then was, "Why take Latin?" "Latin is as dead as dead can be. It killed Caesar and now it is killing me." Now that we have passed the Latin course our motto has changed, because we have learned that the study of Latin will be of great advantage to us in later life.

During our third year of high school we looked forward to one great event. This was the Junior-Senior Prom given by the Juniors to the outgoing Seniors. Having climbed three-fourths of the ladder at this time, our only thought was to strive on, to climb, until the goal was reached.

At last our Senior year came. The name of "Seniors" made us feel proud. Now we can say that we have reached the top of the ladder which was our aim—our goal. We can very well see now the advantage of what our dear teachers tried to instill into us—"Much is accomplished through hard efforts." For some of us there will be future study in college, for others there will not be. But no matter which walk of life we may take we will always bear in mind that our Blessed Lady is hovering near. She will place her mantle on our shoulders to guide and protect us on our way. The road may be long and rough but let us remember that we have striven for and reached a goal which was only earthly. Let us take up the little cross given. No matter how long the road may be, His road was longer; His Cross was much heavier. The cross we shall carry and the road we shall travel will be the way to our heavenly goal.

### JUNIOR CLASS HISTORY

Fifty-nine lively girls compose the Junior class. It is one of the largest Junior classes that has passed through S.M.A.

Most of us are very young and practically every one can play the piano. The question often arises as to what the band is going to do when the Juniors graduate, for we are in the majority. We have also some outstanding singers and most prominent of all, are our star basketball players, Helen Wells, Lucille Jones and Dorothy White.

### SOPHOMORE CLASS HISTORY

Few in number, just 49, we are hard workers in all our fields of endeavors. During the course of the year, we participated in various activities.

Upon entering the Community Chest contest, our class was honored when the majority of the awards were given to us. We are always striving zealously to bring laurels to our Alma Mater. The carnival queen and two of her graceful attendants came from our class.

The class comprises representatives of many different states. We are one big cooperative group and we sincerely believe the adage: "Whatever good you do comes back a thousand fold," because we have been rewarded time after time for good deeds rendered in the past.

We think that Sr. Mary Esperance is a fine class supervisor and we are looking forward to a successful Junior year.

### FRESHMEN CLASS HISTORY

Our class dates back to the very first day of school, when every one had to take a test. Every one was excited and anxious to know who was going to pass and who would come out first. The next day we got acquainted with each other.

### OUR DEPARTMENT OF SCIENCE

Under the tutelage of Sister Demetria in the Chemistry and General Science departments, and Sister Esperance in the Biology department the year has come to a happy and successful close. Each member of these classes in one way or other has attained some knowledge of science she did not have before.

The course of science has taught us to know what the utilitarian values of science are, how science is applied to make life safer and easier, to maintain and improve health, to prevent disaster and disease, and to help men escape superstition. It has made us aware of so many facts that seemed to us before, mere "foolishness". One must experience to find out.

For some the study of science is over, for others, it is only beginning. Who knows but perhaps one of this group may some day be a famous scientist.

MAXINE BERTEAUX

Twenty

What memories will this picture of our Convent Chapel evoke in the future? It was at these rails that many of us received our First Holy Communion. Like little Maxine in the picture at left, we offered our selves to Our Lord.

In the hustle of life may the memory of that day, and of the many minutes spent in loving adoration before the tabernacle help us to live as good Catholics and worthy children of our Alma Mater—St. Mary's!

The Glee Club under the direction of Sister Marie Juliene is the most popular club in our school.

Our first song learned this year was "For My Mother" which we sang on the feast of our late Reverend Mother Elizabeth. For the Christmas season, we learned many beautiful Christmas carols, and from these, various ones were chosen to be sung at the December Parent-Teachers' Association Meeting. Our next affair was March 19, the Sisters' reception, for which we worked very hard in order to make it a success.

Due to the death of Mother Elizabeth we did not have our annual opera, but we continue to improve in order to make the future operas better and more successful.

Nosotros aprovechamos por eso porque nosotros pensamos a enseñar el Español cuando nosotros vayamos la Universidad.

## NATIONAL HONOR SOCIETY

Iris Badon, Anna Mae Baham, Helen Davis, Myrtle Hill, Greta Roque, Ruth Norris, and Zelda Oliver have been received as members of

the National Society for Latin Students. These girls have maintained an average of 90% during the year.

## BAND ACTIVITIES DURING THE YEAR

The band reorganized in September. It lost only two members but many of the members of the Junior Band joined the Senior Band, helping to make it bigger and better this year.

The first presentation made by the band was on November 5, 1945 for the celebration of our late Reverend Mother's feast day on which day the school children honored her. The band made its first public appearance on November 14, when "Kathleen" was played and again on

November 25 when the St. Mary's unit of the C.S.M.C. presented a Thanksgiving play.

On December 16 the band made its third appearance in public when it played at City Park for the benefit of the Doll and Toy Fund. On January 27 came the annual midwinter recital and on March 3 the band and the drum and bugle corps participated in a carnival parade in Baton Rouge.

## STAMP CONTEST (High School)

The stamp contest began in November and ended in January. It was open to all students. The outstanding stamp collectors were Grace Johnson, of the Elementary School, who collected 14,636 stamps; Ethel Matthew, 2,763; Leonora Roque, 5,800; Gwendolyn Smith, 716; Joyce Juanita Garcia, 647; Doretha Lewis, 243; Theresa Neveau, 234; Elaine Romain, 143, and Fern Glapion, 700.

From left to right—Elaine Romain, Fern Glapion, Doretha Lewis, Theresa Neveau, Leonora Roque, Ethel Matthew.

From left to right: Jane Davis, Treasurer; Dolores Hill, President; Theresa Lawrence, Chairman of Communications; Catherine Murphy, Vice-President; Gertrude Bishop, Secretary.

During the two years spent at St. Mary's Joyce Jackson has been very actively interested in all extra-curricular activities. She entered wholeheartedly into the Bond Drives and showed the quality of excellent salesmanship for she had the largest number of persons patronizing the school by buying Bonds.

As a member of the Band and of the Regina staff she gave her services unstintingly. Farewell and good luck, Joyce. May you carry into your new surroundings the same initiative and spirit of helpfulness.

## Catholic Students Mission Crusade

The C.S.M.C. has been one of the most active organizations throughout the school year. Our meetings, held on the last Wednesday of every month, were made interesting by reports and talks by the students of the various classes. At one of the meetings Reverend Father Moore, O.M.I. (R.I.P.) addressed us. We will never forget how convincingly he spoke about the missions.

During the year we helped poor missions and contributed to the Propagation of the Faith. We hope the classes that follow us will continue as faithful members of the C.S.M.C.

Farewell dear girls of '46. As you go forth from St. Mary's may you take with you as your guide the principles instilled in you here.

Remember, the eyes of your Alma Mater will follow you as you go your different ways, and her fondest hope is, that you will always prove yourselves worthy of her by your lives of fidelity to God, and of service to your fellowmen.

## For God and Humanity

The culmination of a St. Maryite's training is reached when she returns to her Alma Mater to dedicate her life to God and to the service of humanity.

It is seldom that every member of a class passes from its portal without thought of returning. Last year one who said farewell on graduating night is today, Sister John Bosco, a novice of the Sisters of the Holy Family; another has consecrated herself far from home with the Oblate Sisters of Baltimore.

How many of us have heard and will heed the call remains yet to be seen, but we hope that in the years to come the class of 1946 will be well represented among the Sisters of the Holy Family, and at our own St. Mary's.

We Love You Well
