Foreword

THIS YEAR OUR ANNUAL IS TWENTY YEARS OLD. IT WAS FIRST PUBLISHED BEFORE MANY MANY OF OUR PRESENT STUDENTS WERE BORN. WE FELT THAT THIS YEAR MARKED TWENTY GIANT STEPS INTO THE FUTURE.

SOME OF OUR GRADUATES HAVE DONE WELL. WE ARE PROUD OF EACH ONE WHO HAS DONE HIS BEST. THINK BACK TO 1953 AND ALL OF THE INTERVENING YEARS. HAVE YOU MADE AT LEAST ONE GIANT STEP??

Our Editor-in-Chief

Cheryl Ann Foster

The theme for the 1972 yearbook is "Twenty Giant Steps." This is an appropriate theme! No other could characterize the system we have here at Cohen. As our school changes physically so has it changed in other significant ways.

Over the twenty years we have had an annual many fine and illustrious Cohenites have emerged. We have alumni who have become doctors, lawyers, teachers, technicians, and housewives. Each one represents us well, and we are proud of them.

I am seventeen now so three of the giant steps were made before I was born. Nineteen Editor-in-Chief have gone before me. I feel honored to be the twentieth.

I pray that I may keep in step with some of Cohen's giants. If I can't, may I be a proud little dwarf rooting from the sidelines as my bigger brothers make their giant steps. My deep love for this school will always make me an integral part of all that goes on, big, little or great.

Dr. Gene A. Geisert
Superintendent of Orleans Parish Public Schools

We welcome to the pages of our 1912 WA-LO-CO Dr. Gene A. Geisert, who is our new Superintendent of Schools. Dr. Geisert comes to us highly recommended as an administrator and educator. His background of experience (he has been cited for his progressive educational programs) and his down-to-earth philosophy coupled with academic preparation of the highest order adequately fit Dr. Geisert to direct successfully the operation of the New Orleans Schools.

We wish success to Dr. Geisert in his work with us; and tender him our greatest degree of co-operation.

Welcome again, we are honored to have you with us.

Our Principal

Mr. Robert N. Perry, Jr.

A MESSAGE FROM THE PRINCIPAL

Mr. E. W. Sorrell, our first Principal, congratulated the staff of our first year book in 1959 with his message, ending with "... at all times you will find as I have that by being sincere in every thing that you do is a big asset." This statement made by him is as true today as it was almost twenty years ago.

Much has happened since 1959. Many changes have been made. Ideals, morals, manners, and mores have changed greatly (as they will do in the next twenty years) and you have a greater challenge before you.

Yes, you have much to do; but you must never forget to remember that whatever you become is a result of those who have struggled to get you thus far on your way, your parents, teachers, and friends. You should thank them and be grateful for your heritage, never forgetting that pride and dignity go hand in hand with excellence of accomplishment.

So, I say thanks to each of you who has worked so hard. I congratulate you and your sponsor, Mrs. Margery A. Sartor, for this, the twentieth "giant step" on the road to true greatness. May you continue to achieve and may you ever merit the support of your peers in whatever you attempt to do.

Sincerely,

Robert N. Perry, Jr.

Mr. E. W. Sorrell

If public high schools had principals emeritus, Mr. Sorrell would certainly deserve the title as far as Cohen School is concerned. Mr. Sorrell came to Cohen as its first principal in 1949, after having served for many years as principal and teacher in this and other sections of our state. Coming from a long line of educators and community workers, it was not strange that his stay at Cohen was one filled with growth and success. The philosophy which he stimulated in teachers and students still permeates the school because of the excellence of the example set by him. He believes in the excellence of learning and teaching and by example stressed this quality.

We pay tribute to him because of the many students who were inspired by him and wish for him continued health and happiness.

Jesse A. Sherrod, Jr.

The staff of the 1971 Yearbook is proud to dedicate this edition to Mr. Jesse A. Sherrod, Jr., teacher, friend, and servant of students and staff of Calumet Senior High School.

Mr. Sherrod's life has been one of unselfish service, in that he does not serve for glory or for honor; but he serves because he believes that every person has a certain degree of dignity which must be respected and capacities and abilities to which he can aspire.

In his teaching, he exemplifies sincerity, understanding and sympathy. Having served for more than two years as Assistant Principal of Calumet, he endeared himself to the staff and the students and set standards which have helped to make our school what it is, - a good school. Among our graduates are many successful professional people, and ordinary persons as well, who credit Mr. Sherrod the prime factor in preparing them for success.

A devoted family man, an excellent follower, a knowledgeable leader, and a gentleman, we tip our hats and give an accolade to him.

This yearbook is an expression of our thoughts of you, and we wish you everything that you wish for yourself. Mr. Sherrod. Thanks to you for all that you have done.

If you let me out this time I'll never do it again ...

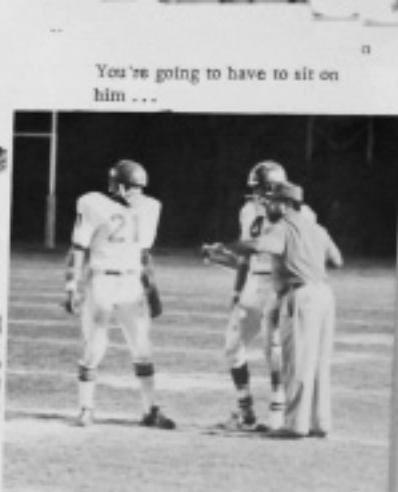

You didn't have to get carried away ... I'm only the coach ...

Set you've never seen a "Pye" like this in a bakery.

You see that one over there? Hire him ...

You're going to have to sit on him ...

Only our hairdressers know for sure ...

No, I don't think so ...

Hey! Look us over ...
