THE STUDENTS AND TEACHERS OF THE WALTER LOUIS SENIOR HIGH SCHOOL
PRESENT THIS LOVING CUP TO THEIR WONDERFUL PARENTS

A Question Is Asked of God - by Robert N. Perry, Jr.

We asked God -
Why did she have to go,
When so many of us loved her so?
Her voice, her charm, her lovely smile, -
Were with us for such a little while,
The light in her eyes (even when in pain)
That glowed as brightly as sunshine
after rain,
Has gone never to return
No matter how much we may yearn.

What are we to do in coming days,
When she no longer with us plays?
Knowing not what she does or what she says,
How can we hear her voice, -
Can it tell
Was she happy in our farewell?"

"With me, she will ever be,
And some day her face you will see, -
Bright, and young, and happy, and gay, -
Not for a little while,
But for eternity, - an endless day.
I needed her, - you needed her not,
She is always there in your heart."

And the answer comes clear and true, -
"She is gone as some day will you,
Like the light of a brilliant star
Whose flash flames in the skies from afar,
And disappears in darkness, -
So near, but yet so far."

"She alone, unlike that light,
Will never disappear from your sight,
Because on your hearts a message she did
write
Indelible thoughts and true,
'As to me so will it come to you.
I was a loan, and so are you,
I was taken when the repayment was due,
I was taken from you."

Foreword

For our seventeenth annual the Staff of WA-LO-CO selected

"An Open Letter To Mother and Dad" for a theme.

WE WANTED OUR PARENTS TO KNOW HOW MUCH WE LOVED THEM

They are pictured all in this production and you

need but turn the pages to see how happy they are

to be a real part of our delightful high school days.

It is yours, Mom and Dad - Please enjoy it ...

Editorial

Varrick Yvonne Jefferson

Editor-in-Chief

It is an honor to have been selected as Editor-in-Chief of Cohen's Yearbook. I can assure you that it was not an easy task, but I loved every moment of the anxieties, disappointments, frustrations, disillusion, deadlines, and sleepless nights, just as Treva said last year.

The staff selected "An Open Letter to Mom and Dad" as its theme and we sincerely believe it was a good choice since we all love our parents.

It has been they who have guided us with a deep sincerity and with comprehension of the many problems which have beset us.

Because we love and need you so much, we used our entire production to try to tell you so. If we have succeeded we are happy and if we have faltered a little, give us another chance like you always do.

Our Principal And His Message

Mr. Robert N. Perry, Jr.

Honor thy father and thy mother; that
thy days may be long upon the land
which the Lord thy God giveth thee,
- EXODUS XX, 12

Before I was able to read, we learned the Ten Commandments by hearing them in church services and in family prayers. I often wondered why "our days should belong upon the land." We could not visualize this; and it was not until later that we learned it was "BE LONG" and not "belong." So with experience and years came understanding.

The word "honour" carries with it the ideas of love, devotion, and loyalty. To honour, then, is to love, to be devoted to, and to be loyal to, - and to bear respect unto.

We have made much ado over the misdeeds, the thoughtlessness, the wildness, the lack of consideration, and absence of respect as evidenced by some of our young people; but we have forgotten that the majority of young people are decent, thoughtful, and sincere. The small proportion which has gone far afield are only important as we publicize, glorify, and set forth to the world their questionable behavior. We fear that their days will not be long upon the earth. So with experience and years, we hope, will come understanding.

Our yearbook is dedicated to our parents this year; and it is not left to us to criticize as to whether a parent is a good parent or a bad one. It is the duty of the school to assist parents to become better parents in order that the product we turn out might be worthy. It is to these parents who have joined hands with us in helping make Cohen a better school and its students better young people and eventually worthwhile adults that we extend our congratulations and best wishes. Without you we would not have your children; and without your children we would have no Cohen Senior High School.

Congratulations to each of you; and may your days be long and your joys in your children be endless.

Sincerely,

Robert N. Perry, Jr.

Our Very Own Calvin

CALVIN TURNER and SAINTS TOM DEMPSEY - DAVE WHITSELL

Calvin Turner's condition was first recognized at Alfred Priestly Jr. High School. The principal, Mr. Maurice Prevost, teachers and students gave him sympathetic help and assistance throughout his stay there.

He was hospitalized many times during the school year but assignments were sent to him. The minute he was released from the hospital and was able to return to class he was there plugging away. Mrs. Sylvia Townsend kept him ever on our minds. On his admission to Cohen Senior High School, Mr. Robert N. Perry, the principal, and the school personnel resumed their help in his fight for health. Here, too, he is being shown great concern by all who come in contact with him.

Calvin is one of the few great and patient souls that God gives to friends to love and to learn from once in a lifetime. When first stricken he was almost a baby but his faith, courage, cheerful heart and vision of the future, are inspirational to us all.

Dream on, Dear Calvin. Dream on of the future which you so bravely face, and speak! With God, your faith and courage, and our prayers, your dream will become a reality.

Note: Calvin awaits a kidney transplant. Until a donor is found he must take the Dialysis Treatment twice a week.

Our "BOSS" Photographer

EDWARD EPPS

Eddie is no stranger to Cohenites. He is in and out of the school all year and is at games, programs, P.T.A. meetings and any other place where he is needed. He loves Cohen and we love him especially when he says, "wet your lips,"

"smile pleasantly," "sit up tall," "come on fella," "don't clam up on me."

Eddie, we think you are the most because you make us really beautiful.

PARENTS OF MRS. URCELLE A. BRADLEY

Mrs. Loula L. Alexander

Rev. Mitchell M. Alexander

The tribute paid here to my beloved parents is well deserved. Their legacy to me if expressed in words would be "Happiness is elusive; but the way to a contented life lies in love and service to people."

I am the fourth child of four and I have been the only one of that number left for the past four years. My loneliness experienced during that time has been counteracted by memories which are as precious to me as rays of light on a dark lonely road.

FOND MEMORIES OF MY BROTHERS, SISTER AND NEPHEW ARE A PART OF MY EXISTENCE

Absent from the picture is my beloved older brother James M. Alexander.

Days come and days go but my treasured thoughts of them are with me always...

I feel that it is a privilege for me to say something about my mother. She was the only parent that I really knew because my father died when I was six years old. I was the eighth child of eight so as I look back now I'm sure my mother must have been very tired when I came along. Many things which she told me stand out in mind but I remember one. It is as true now as it was then and I trust that I shall believe it always.

"A GOOD WOMAN IS PRICELESS."

My two sisters, Mrs. Betsey Austin Gordon and Mrs. Ruth Austin Piper, both of Melbourne, Florida join me in this tribute to a wonderful mother.

Sincerely,

All through life, I have been going through doorways both actual and figurative. These doorways have lead me to new realms of learning and experience.

Often I have chosen the right doorway because of the intangible and dear things you have given me as parents.

You have imbued me with the principles of love, charity and honor, but most of all you have given me love that knows no weakness and tolerates no selfishness.

Parents like you make it possible for me to agree with Penn when he said, "NEXT TO GOD, THY PARENTS."

With All My Love,

Joan

Raymond Dorest was a teacher in the Orleans Parish Schools. Anyone who knew him, however knew that his first love was music. He was gifted in this field and shared his gift with his friends and the entire community. The Orleans Parish School Board honored him for his community service when Dr. Carl Dolce presented him with a Certificate of Merit. My mother, father and brother join me in this small tribute to one we loved so dearly.

A Mother that never grows old,

God made a wonderful Mother
And He gave that dear Mother to me.
