Dedication

We the class of '64 find it fitting and proper that we dedicate this edition of the Rosarite to the faithful members of the alumni,

Through this book we would like to express our gratitude to each of you for your thoughtfulness and faithfulness in the past fifty years.

May you continue to be faithful to your Alma Mater is our prayer.

BERNADETTE RICHARD and KENNETH BROWN

The preparation of this yearbook has been a challenge to all of us. And now that we present this edition of the "ROSARITE" we are proud of what this work has meant to us.

As you review the events of this year, your thoughts may be sober, tender, or turned to the humorous side of things. We hope that familiar faces of friends on and around the campus will include memories for each and everyone of you, and that you will enjoy reading this book as much as we have enjoyed compiling it.
