Valencia shows gratitude to Mr. Joseph Lasarbara, Mrs. Sadie Fletcher and Mr. Gilbert Morris for aiding Vikings in finding their way.

So you come to Valencia - because of what you have heard or seen - because of what others have heard or seen - but mainly because you want to...

You enter the office ... Left to right: Miss Nattie Leviston, Mrs. William Stephens, Earnestine Clark (student), and Mrs. Patricia Lee.

Then you are directed to one of three counselors: Mrs. Ina Carter ...

Mr. Thomas Garner
Mrs. Clemestine Johnson

Sooner or later, you will meet the regulator of student life, Asst. Principal Walter Saxton, Jr., who encourages full student involvement in all activities. Mr. Saxton says, "Let us live then and be glad while young life is before us."
A good place to start is the library.

And, too, one must keep a full stomach!
 Seeing to this are (left to right) Mrs. Myrtis Head, manager; Mrs. Claudia Doyle, Mrs. Thelma Zeigler, Mrs. Lucille Johnson, and Mrs. Georgia Patterson.
 Todd Jackson and Doris Samuels are truly involved.

You are involved when listening to a great musician; when assemblies are presented; and, when you develop skills in woods.

Experiences and involvements at Valencia extend beyond the campus. Gwendolyn Moody, Carolyn Williams, and Earnestine Clark chat with Mayor Farn.

Vikings boarding the bus for a local trip.

Through individual planning and group sessions, the faculty open doors for students to enter.

Maple Clark enrolled in Health Careers receives instructions at the VA Hospital.

Then said a teacher, Speak to us of Teaching. And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadows of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythms which is in all space, but he cannot give you the ear which arrests the rhythms nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man leads not its wings to another man.

And even as each one of you stands alone in God's knowledge, too must each of you be alone in his knowledge of God and in his understanding of the earth.

SENIORS

Dear Seniors,

Congratulations! You are about to finish high school. You're happy and a lot of other people are impressed.

Graduation comes from the Latin word, *gradus*, meaning a step. That's as good a way as any to look at it - a step in a series of steps. It's not the most important step in your life, but it's certainly a big one.

What will you do now? A job, maybe college, maybe even Viet Nam. Whatever you do, you'll be making some important decisions. Make them for yourself.

We suppose we should wish you success, but that's really too easy. We would like to wish you something that is harder to come by. So we are going to wish you meaning in your life. And meaning is not something you stumble across, like the answer to a riddle or the prize in a treasure hunt. Meaning is something you build into your life. You build it out of your own past, out of your affections and loyalties, out of the experience of mankind as it is passed on to you, out of your own talent and understanding, out of the things you believe in, out of the things and people you love, out of the values for which you are willing to sacrifice something. The ingredients are there. You are the only one who can put them together into that unique pattern that will be your life. Let it be a life that has dignity and meaning for you! If it does, then the particular balance of success or failure is of less account. (Paraphrased from a letter by John W. Gardner)

Sincerely,
Your Student Council

"A leader is best, when people barely
know that he exists."

To-morrow, and To-morrow, and To-morrow

To-morrow, and to-morrow, and
to-morrow,

Creeps in this petty face from
day to day

To the last syllable of
recorded time;

And all our yesterdays have
lighted fools

The way to dusty death.
Out, out, brief candle!

Life's but a walking shadow,
a poor player

That struts and frets his hour
upon the stage

And then is heard no more.

It is a tale told by an
idiot,

Full of sound and fury,

Signifying nothing."

Freedom Characterizes the Activities at Valencia

Freedom is a personal thing. It is expressing oneself as a person feels. It is creating - working - expanding - growing - lounging - dreaming. It is attending a concert - attending a ball game - painting a picture - tinkering with an old car - reading a book - listening to a radio - dancing in the streets - imitating others - yelling in excitement - just because you want to. It is the development of a personality, an idea, an ideal. It is standing unashamed before Nature. It is the expression of "Soul" in Viking land.

There's a time for all things!

What's funny, Teach?

As a man thinketh ...

Valencia Gives Its Fair Share

You give but little when you give of your possessions.
It is when you give of yourself that you truly give.
For what are your possessions but things you keep and guard for fear you may need them tomorrow?
There are those who give little of the much which they have - and they give it for recognition and their hidden desire makes their gifts unwholesome.
And there are those who have little and give it all.
These are the believers in life and the bounty of life, and their coffer is never empty.
It is well to give when asked, but it is better to give unasked, through understanding;
And to the open-handed the search for one who shall receive is joy greater than giving. And is there aught you would withhold?

The ABC'S of Life Knowledge

We search the world for truth,
We cull the good, the pure, the beautiful
From graven stone and written scroll,
From the old flower-fields of the soul,
And, weary seekers for the best,
We come back laden from our quest,
To find that all the sages said
Is in the Book our mothers read.

Athletics

Physical education is a time for sports and games, for dancing, swimming, stunts, and tumbling. These are all activities one likes to do in his free time. But physical education is more than fun. It is also a time for learning.

One finds that he needs a strong and healthy body to enjoy such strenuous activities as tennis, basketball, football, tumbling, swimming, and dancing. One learns how to keep his body fit for work and play - how to move more freely and easily so that he will stand straighter, look better, and be able to work and play without unnecessary strain. One also learns how to play safely, to prevent injury to oneself and others.

When one is feeling tense and irritated with himself and the world around him, the vigorous activity of play will release his tensions and make him feel better. This experience will help him understand why recreation is important in keeping his mind and emotions healthy as well as his body. He also learns more about other people as well as about himself.

COACH JIMMY HILBERRY

A Dream Materializes

Displaying the true Viking spirit of courage, will power, and determination, Valencia's 1969 senior football team, "A David" in the midst of seasoned "Goliaths," nurtured a dream into reality. Not the dream of become the LIALO Zone III champions - not the dream of becoming District champions - not the dream of a 14-1-1 record, but the dream of a little "David" bringing a powerful, boastful, arrogant "Goliath" to his knees.

In regular season play, the slap thrown by Valencia angered the Booker T. Washington Lions and brought unbelieving cries from the Caddo community - thus fate demanded a rematch. At this togetherness, LIALO District IV Championship game, the mighty Vikings, with a 28-8 victory, clobbered the B. T. Washington Lions into a pussy cat status with a meek-o-o-w attitude before thousands.

This was rematched Valencia and Linear, who had duked earlier to a 6-6 deadlock, in the Zone III Championship game on Thanksgiving Day, where again they ended in a 6-6 deadlock. But due to a successful protest launched by Valencia against Linear, the game was officially thrown out - thus, demanding a replay. The third match between the Vikings and Wildcats resulted in a 6-0 victory for the Vikings, making them the LIALO Zone III champions.

Moving as only Vikings can, Valencia, with a 13-1-1 record was pitted against Paul Beaux of Lafayette which resulted in a 34-14 victory and North Louisiana champions. This victory placed them in the State play-off against Scotlandville High, where they lost 38-14 to become second best in the state.

James Sykes chased by a pack of B.T.W. Lions

A B.T.W. Lion misses, but Boxley grabs.

James Edwards, in a path cleared by James Cornealius, runs against the Paul Breaux Tigers of Lafayette, Louisiana

Bobby Randle and James Sykes, with daylight before them, outrun a pursuing pack of Paul Breau's Tigers to gain the North Louisiana Championship.
