MESSAGE

GREETINGS

The most powerful men and women of the world are not those who control the markets, but they who control the hearts and direct the thoughts of their fellowmen. They are the ones who hold the levers that move the world, who fashion the lines, and determine the character of generations to come.

Mr. E. H. Dotson holds the B. A. Degree from Wiley College, and has done graduate work at Prairie View College and Teacher's College, Greeley, Colorado.
