Team Standings

Coach Kinsey with only two years of experience as head coach of the Hillcrest High School has proven beyond doubt that he has the know how to develop a basketball team.

The Hillcrest High School Basketball Team witnessed one of its best records this season with 30 wins, 1 tie, and nine losses, including tournament plays. The Yellow Jackets won all of their conference games and missed the State Play-off by two points. The jackets spoiled the Gaine High School Cagers, of Montgomery, hopes of participating in the State Play-off by handing them their first defeat of the season with a 82-71 licking. This victory placed the Yellow Jackets in the Regional Runner-up Spot. Robert Bradford, a 6'3" Junior, paved the way for the Jackets by pouring 42 points through the hoop. The Jackets flew high by getting superb performances from John T. Walker, Major Jiles, Eddie Drake, Willie T. Walker And Robert (Boot) Jones. The Jackets also had a power packed bench, with Johnny Hamilton, Clyde Cooper, Charles Winzer, Cortez Wright, Chester Burns, Roy Hamilton, Odia Clark, and Benjamin Burks.

Yes, the Hillcrest High School Faculty and student body are proud of Coach Kinsey and his basketball teams, both boys and girls.
