WRIGHT, DAVID

The year of years was theirs and in the future we can maintain the spirit and philosophy portrayed by them, success and happiness shall be the finishing touch of our lives.

*He gave
his
Best*

Mr. Alvin Taylor had devoted thirty-five years to the teaching profession. He began teaching in Caldo Parish in 1933 and has taught in Springridge, Belcher and Shreveport, Louisiana. He has taught at Starlight, St. Peter, Old Central, Herndon, Booker T. Washington and Bethune high schools. He also taught at Milam Street Trade School and the Veteran's School. He served three years in the U.S. Army and spent his final teaching years at Bethune Junior-Senior High School.

It is not always the conspicuous who deserve the most praise. "Any man can work," said Henry Ward Beecher, "when every stroke of his hand brings down the fruit rattling from the tree to the ground; but to labor in season and out of season, under every discouragement, by the power of truth... that requires a heroism which is transcendent."

Mr. Alvin Taylor chose to give thirty-five years to the finest of all arts - the development and inspiration of human minds and souls. Over a period of thirty-five years Mr. Taylor has banked many treasures that money cannot buy. He has touched many lives while teaching and for many years will be blessed with memories - some sweet and some not so sweet.

To this end may the blessings of God be upon him and may his soul always be pervaded with an invigorating atmosphere of mental and moral life.

Mr. Albert Moody, Principal

THE PRINCIPAL'S MESSAGE

Congratulations! You have reached another plateau in your young lives, in spite of Thomas Paine's, "Times Which Try Men's Souls". You have shown, too, that unique occasions do arise in our lives which are never to be relived neither forgotten. So it has been with your experiences as high school seniors, and as publishers of this Year-BOOK which you have so unselfishly dedicated to the Class of 1967. Even more important, however, is to know that your experiences here at Bethune have been fruitful and your "time" has been well spent.

Evidences of the real worth of your experiences are reflected not only in the honor which you have brought to yourselves personally, but to the entire Bethune School Family. As you already know, this year marked some "firsts" for Bethune of which we are humbly proud. You, our seniors, contributed in a most meaningful way to these achievements. And surely you realize, too, that had it not been for the interest and concern of your beloved parents, and the unlimited support of the community, and above all, the dedication and untiring efforts of our teachers these would have been, without a doubt, impossible dreams. Nevertheless, because of the unified efforts of all of us who are in any way connected with Bethune, you can expect to help shape the future of our world. In fact, we predict YOU will.

Finally, in this era of change and unprecedented events, may we here at Bethune, along with your parents, teachers, and the community at large, encourage you to move out into the vast unknown, and "dream the impossible dream, fight the unbeatable foe, and reach for the unreachable star", with God as your pilot. After all, "with God, all things are possible".

Excellence Sought by Principal Moody

Principals Confer With Student

Supper Note

The recollection of this year's activities brought about by leafing through the pages of this yearbook will cause many memories to be relived. The graduating class will not only feel the pride of accomplishment but realize that this is only the beginning. Your willingness to accept what we have endeavored to teach you will be reflected by the scale of your achievement and the quality of the life you lead.

The underclassmen can anticipate the possibility of changes in all aspects of school life; new buildings, facilities, curriculum, teachers and classmates. And he should also find challenge; challenge to make the years ahead better and greater than the one's gone by.

YOURS FOR A GREATER BETHUNE

WALTER N. WHITE,
Assistant Principal

Our Counselors

Senior Class

An "outstanding group" would probably be the best term to apply to this outgoing group of seniors of 1968. They are a young group with an outstanding amount of ability, integrity, diligence and intelligence. They are a group, who for twelve years, have been molded into bright industrious individuals.

They have chosen for their class leaders: Clarence Watson, president; Andrew Marshall, vice president; Judy Taylor, secretary; Linda Garrett, assistant secretary; Alando Pipkins, treasurer; Connie Mitchell, chaplain; Willie Jackson and Dale Reed, sergeant at arms; Beverly Bradford, class historian; Annette Thomas, reporter; and Rickey Williams, parliamentarian.

They went on to show their abilities by bringing honors to themselves as well as to the class and the school and winning various places in the L.I.A.L.O. Rally at Theron Hall, Jacqueline Casey, Doris Kelly, and Beverly Bradford. Betsy Morrow placed first in Typewriting II and placed fourth with her essay "The Ability Counts Contest",

To accomplish their goals they use as a motto, "Out of the darkness of ignorance into the light of knowledge."

Junior Class

In September, 246 Juniors enrolled in Bethune High School to start the 1967-1968 school session.

During the month of February, Junior students participated and ranked high in the L.I.A.L.O. rally held in Minden, Louisiana. They were: Kenneth Brown and Doris Kelly, Shorthand; 1st place; Winnie Dudley, Sandra Mims, 2nd place, World History; Brenda Williams, a member of the Social Studies Panel, 1st. place.

John Davis was top male student in Region I held at Centenary College. His project won for him an expense paid trip to Detroit, Michigan sponsored by Shreveport Journal and Centenary College.

Many Junior students participated in the Band Rally and won first place on the District.

The Choir won first and second place honors with the male quartet, 1st. Female Trio, 2nd Male Chorus, 2nd Tenor Solo.

The Junior Class is well known for the Annual Junior Play and this year's play "U Bake A Pie" was termed a success.

TOP FLIGHT — Taking number-one awards in the 14th annual Region I Science Fair — sponsored by The Shreveport Journal, Centenary College and the Science Education Council — were 15-year-old Brenda

Joyce Blankenship of 5729 Jefferson Rd. and John I. Davis, 17, 4629 Bethune Dr. Both are top flight assigned students at Bethune High School. (Journal Photo by Bill Cawsey Jr.)

Two Bethune Students Take Top Honors in Science Fair

By BONNIE DAVIS
Journal Staff Writer

Two students from Bethune High School took top honors at the 14th annual Region I Science Fair at Centenary College.

Brenda Joyce Blankenship, 15, of 5729 Jefferson Rd., a

sophomore, was selected as the top girl by her laboratory teacher. "Comparative Study of the Enzymatic Activity of Amylase and Maltase," she also placed first in the chemistry category in the Senior High Division.

THE TOP BOY was John I. Davis, 17-year-old junior at

5629 Bethune Dr. He entered a chemistry project, "A Chemical Comparison of Cooking Methods as Related to Time-Variation." He placed second in the chemistry section.

These two students will represent Region I in the annual National Science Fair at
