Principal's Message

Memories of '61 ring familiar bells in the hearts of all, who attended Audrey Memorial before it was Audrey Memorial ----- then it was Cameron Consolidated, larger numerically, and professionally, but today, we still have the Spirit of Progress.

We can never forget "Hurricane Audrey," and its destructive ways in '57, but we can remember in '61, that the Almighty still requires us to "Go Forward."

Now we can produce the First School Annual in token of our determination, to make our school bigger and better.

May the faculty and students join the community and the principal in saying: Higher! and Higher! Audrey Memorial School.

Alma Mater

Oh! Audrey, dear Audrey,
How thankful, we are for thee,
Of tears and blood
That was shedded in the flood,
You are a memory.

Forever, dear Audrey
Thy name will ever be
In our work and play of everyday,
You'll be in history.

Forever, dear Audrey
Thy name will ever be, as rough and tough
As the roaring gulf,
Will be devotedly.
