Dedication

In the course of fifteen years of teaching and principalship in Cameron Parish, Mr. Gulce has given generously of his great talent to literally hundreds of young people.

He passed on to his students much knowledge and many skills, but of no less importance is the influence he has had through his genial personality. He has a keen and genuine interest in the work of his students, and an understanding of their problems, which comes only from his long experience in the classroom. His enthusiasm is contagious, and students thoroughly enjoy learning in his classes.

Mr. Gulce is truly an inspiration to his students and colleagues, and we are proud to express our appreciation for his service and companionship by dedicating to him our 1964 MURRICANES.

Work! Work! Work! Have the sponsors proofread the copy sheets? They haven't! What are you waiting for? Tomorrow is the deadline. Can't you do anything right?

Yes, this is coming from the yearbook room. Through all the confusion, Mary Ruth and Carolyn seem to carry on with the help of Mrs. Harrison and Mr. Griffin.

Many long hours of hard work have gone into your yearbook, and we hope you enjoy the HURRICANE'S as much as we have enjoyed presenting it to you.

Alma Mater

Oh! Audrey, dear Audrey.

How thankful, we are for thee,

Of tears and blood

That were shedded in the flood,

You are a memory.

Forever, dear Audrey,

You'll be in History

In our work and play of every day

You'll be devotedly.

Forever, dear Audrey,

Thy name will ever be

As rough and tough as the roaring Gulf,

That will forever border thee.

Compliments of FAWVOR CHEVROLET CO., Greole, La.

Principal's Message

My Annual Message for 1964 takes the form of a request. But, first, this observation: If Audrey Memorial High school is large enough, and efficient enough to be recognized by the State of Louisiana Department of Education as an approved Class A high school, it is large enough to have a yearbook published annually. This is a graphic way of showing our practical growth year by year. Pupils, Patrons, Preceptors, and Promoters should be proud to have a part and picture in the publication.

Now, here's my request: To paraphrase a famous quotation: "Don't ask what the annual yearbook can do for you, but, rather ask, what you can do for the yearbook." Don't let your prejudice steal your pride. Pull for Audrey - don't pull away.
