High School

FOREWORD

The 1962 TENSASAN is proudly presented to you by the Senior Class of the Tensas Rosenwald High School.

The TENSASAN STAFF has spent many hours of hard work to present to you an annual that will stand up to your demands. My sincere thanks and appreciation go out to these fine people for their co-operation and the help they so diligently gave me.

We hope that you will find in its pages the pleasant memories that you will cherish for years to come.

Patricia A. Quigless
Editor-in-Chief

DEDICATION

WITH PRIDE and pleasure, THE TENSASAN of 1962, turns the dedication spotlight on its sponsors, Mrs. Delela Brown, Miss Carrie Jackson, Mr. Alexander Johnson, and Mrs. Lucille Collins.

Because of your unselfish contributions, we sincerely express our gratitude and appreciation. You have worked co-operatively, helpfully, and understandingly with us throughout the past years.

With a deep sense of humility and genuine affection, we dedicate to you, our sponsors, THE TENSASAN of 1962.

A black rectangular box containing a white stylized signature or logo. The signature is written in a cursive, flowing style, starting with a large 'C' and ending with a long, sweeping tail that loops back towards the left. The letters are interconnected and fluid.

ADMINISTRATION

Dear Seniors:

Unfortunately, many bright young people are not concerned about their future. Many are impatient with the long preparation needed for the roles individuals should play in society. They become discouraged by obstacles which, in most cases, could be overcome.

You are at an important landmark in your life. The days of decisions are at hand. The choices you make now can shape your future. May I plead with you to make a wise choice.

May I congratulate you on the publication of the yearbook and I do hope that your working with each other to do the splendid job you have done will serve as a key to a rich future, that will make Tensas Rosenwald High School proud to recognize you as the class of 1962.

John G. Jackson

Supervisor of Negro Schools

To the staff of the Tensas----- Senior Class

It is the uncertainty of life that makes it spectacular. If we knew what lay ahead of us, life would be monotonous and unbearable, no matter how varied and interesting it would otherwise have been. When each day brings a pleasure or a pain we did not know was coming, it makes every hour interesting and life is worth living no matter how hard the struggle or how rugged the journey.

For twelve years a student looks forward to the day of graduation as the goal of ambition, but as that day finally approaches, there is often a feeling of sadness. He realizes that the intimate associations of years will be broken and the band that has so long trudged together will be scattered to the four winds, some never again to meet. No matter what position you may fill in the future or what honors may fall your lot there will always be a feeling of responsibility which will take the keen edge from your joys.

The best advice I can give is this: Be Cautious. Without that one element in your make up, you can get into all kinds of trouble.

I offer you the good wishes, hopes, and prayers of your Alma Mater. You have done well and I trust you may fare well in your journey from this place.

Sincerely yours,
J. B. Bilberry, Jr.
