The Editor's Message

This yearbook is a presentation to the faculty and members of the McKinley High School family. In these pages of this yearbook lie the spirit of belonging and achievement. Recall the year spent. The games, the cheering of the crowd, the organizations, and other activities and most of all for the seniors remember marching down the aisle for the last time.

This year as years before, we watched the new and the old come and go and now it is our time to leave. But our hearts shall forever remain with dear old McKinley. With sincere dedication, we the members of the yearbook staff present to you the "Big M" of 1970.

ORGANIZATIONS

The organizations of McKinley High School give the students an opportunity to extend their range of interest in certain subjects. It is through club projects that a student is able to put forth an extra effort which enables him to establish a common ground on which to work with both teacher and classmate.

Many Things Will Be Forgotten, But...

The present,
Which all too soon
Becomes the past,
Has an everlasting impression
On the future.

As the last bell rings, and each student goes his separate way, many realize that this is only the beginning of their high school days; the Seniors know it is the end and that they must step out of these doors into a new and challenging world. To each student who has ever been a part of McKinley Senior High School, there will always be a warm remembrance of the joys, excitement, and even the sadness that he experienced here.
