## Dedication

The Panther Staff of McKinley Senior High School dedicates the 1964 Panther to Mr. Benjamin W. Hall. He died on September 12, 1962. Mr. Hall was born in Baton Rouge, Louisiana. At the time of his death, he was a teacher of Biology here at McKinley Senior High School

Mr. Hall received his B. S. degree from Fisk University. Prior to his coming to McKinley Senior, he was registrar at Leland College.

Beloved by his students, he was named "Teacher of the year" by the F. T. A. in 1962.

He was a conscientious community worker. He was a member of the Mount Zion Baptist Church. He held membership in the LEA, the PEA, Omega Psi Phi Fraternity, the Bonanza Social Club, and the Blazing Star Lodge-Masons. He was a Boy Scout Committeeman and a licensed Real Estate salesman.

A lover of human nature, he left a indelible mark on the lives of all with whom he came in contact.

MR. J. M. THOMAS, PRINCIPAL

## Principal's Message

### THE SPIRIT OF COOPERATION - CLASS OF 1964

The students, teachers, staff members and friends of McKinley Senior High School have demonstrated a very important quality essential for successful group living - The Spirit of Cooperation. This quality implies the highest type of human endeavor - a togetherness for the good of the group, an association of persons devoid of selfish interest. Without this spirit of cooperation, the individual as well as the group may not reach the maximum potential. With cooperation, simultaneous benefits are realized by the individual and the group.

Certainly, the glorious years spent at McKinley have left lasting impressions. This publication has captured segments of that past. There is an ever-present fascination associated with viewing one's past. No doubt, in years to come, young people who now make up the McKinley Senior Family will view and cherish their exciting past. All will remember the joyous days experienced by producing the Annual.

We should all remember the Spirit of Cooperation that made possible the 1964 Panther.

J. M. Thomas, Sr.

## Senior's Message

Our days here at McKinley will be long remembered because of the many opportunities given us and the experiences shared with our fellow students and teachers.

Because of the great history of our school, and many accomplishments of its distinguished graduates all over the world, we will forever be proud to claim McKinley Senior High School as our Alma Mater.

We will, of course miss the many activities, both educational and social, provided for us here, but we will never lose sight of the high ideals instilled in us by our teachers.

This yearbook will serve as a lasting reminder of our happy years at McKinley, and will help us to relive over and over again, this part of our lives which has meant so much to us.

## Class Song

Hail to thee, our dear McKinley  
Faithful, strong and true;  
We will always pledge allegiance  
To the White and Blue;  
Strength anewing faith pursuing  
Onward to the sky;  
For now we leave our Alma Mater,  
Dear McKinley High.

Hail to thee, our parents, teachers,  
Friends and loved ones too;  
Hail to thee for strength and guidance  
From our hearts so true;  
Strenght anewing, faith pursuing  
Onward to the sky;  
For now we leave our Alma Mater  
Dear McKinley High.

The Esso Employees Health Association is a service organization, made up of Humble Oil and Refining Company employees and annuitants, with family coverage of wife and dependent children up to age 21.

The association was organized July 1, 1948. It provides a liberalized program of hospital, surgical and medical benefits to more than twenty-five hundred people in East Baton Rouge and several bordering parishes. Members and their dependents may use the doctor of their choice, and are provided with an identification card making it possible for them to enter any approved hospital in the United States.

The member pays two-thirds of the cost of the premium and the Humble Oil and Refining Company contributes the remaining one-third.
