Principal

A.

The administration, Mr. Berda, Mr. Turner, and Miss Gullion, has worked wholeheartedly to keep McKinley Senior High within its tradition, which is one of good spirit and high ambitions. Their concern for our future has been shown by the way they carry out their duties each day, influencing more and more the plans that we may have. We find we are an impolite gesture to keep us under their command, but in the end, it is for the best. Gradually, the old tradition begins to be a small part of our life, and a traditional change is being made by their sincere generosity.

The Spirit of '76 Has Come Alive in '75...

It all started on the week beginning October 19 when students put together a series of activities each day in which we planned to beat the East Astoria Spartans. Together we stomped, licked and buried the Spartans. On Homecoming Day our very own Carolyn Black was crowned Miss McKinley and presented the captain of the football team the ball that would win the game. Halftime activities included the introduction of Miss McKinley and her court to our alumni, as well as a performance by our unique marching band and their co-stars, the Majorettes and Boosters. The Big Blue Machine really showed 'em who was in charge that night by winning the game.

Holidays Bring Many Activities for Students —

Each year at McKinley Sr. High, the Thanksgiving and Christmas holiday season brings many and varied activities for students. A tradition followed each year at our school is the annual Thanksgiving Day program and presentation of a gift to a local organization. A new activity at McKinley this year was the Christmas parade floats turned out by the Ma Alpha Theta and Honor Society students. Another Christmas event enjoyed by all, took place in an English class in the form of "A Cajun Christmas." And to end the holiday season the entire student body was entertained with music and dance at the Christmas Assembly.

Mu Alpha Theta Inducts 40 . . .

In 1976 Mu Alpha Theta inducted 40 new members. The ceremony began with a procession of all members, after which the president, David Clark, read the requirements that had to be met. Afterwards, members acted out a math play which dealt mainly with the need for math. Mr. Reed then presented the new members with their certificates, and new and old members began to sing a math rhyme: First is Math the basic kind Add, subtract, and multiply . . .

Cheerleaders Create Panther Spirit . . .

The school year for the McKinley High cheerleaders began in March of last year with cheerleader try-outs. The girls were required to have a 2.5 grade average as well as a good behavior record, and they were expected to perform a cartwheel, splits, and various other gymnastics stunts. Under the sponsorship of Mrs. Karen Boyd, those selected as cheerleaders worked hard to raise \$100.00 to attend the L.S.U. cheerleaders camp in the summer and buy colorful new uniforms for fall and winter. The girls have performed at every football and basketball game, and they have certainly added a great deal to the Panther spirit.

A. - Doing their best to keep spirit high. B. - 1975-76 Cheerleaders (Left to Right): FIRST ROW: Susan Davis, Lorraine White, Kenny Taylor, Joy Burgess, Cynthia Brown. SECOND ROW: Phyllis Spears, Margie Green. THIRD ROW: Patricia Williams, Kim Brown, C. - Panther Cheerleaders lead pep rally.

Boosters Perform for Homecoming

The McKinley High Boosters have had a successful and enjoyable year. Under the sponsorship of Mrs. Karen Boyd and Mrs. Doris Hantbert, the girls selected as Boosters were required to have a 2.5 grade average and a good behavior record. Some of their duties were to attend all football games, support the cheerleaders, and march with the band. Everyone will certainly agree that this year the McKinley High Boosters provided an excellent representation for the entire student body.

New Dances Inspire Fans

The Majorettes inspired many fans at football games with their new solo and dance routines. Before the season began there were many girls that tried out for the squad, but only twelve were selected. These twelve have done a fantastic job of boosting spirit at pep rallies and games alike.

A. - Simona and Lisa lead the way. B. - Majorettes (Left to Right) FIRST ROW: Lisa Richards, Simona Anderson, Head Majorettes. SECOND ROW: Sumaray Mobley, Brenda Brown. THIRD ROW: Wanda Morgan, Julie Lee, Phyllis Givens, Debra Hawkins. LAST ROW: Rita Blacher, Myra Swann, Pamela Dawson, Judy Spear. C. - Majorettes performing with band during half-time.

Marching Juke Box

The band has performed for many halftime shows, including that magnificent performance for the McKinley-Capitol football game. The M.J.B. got a standing ovation from both McKinley and Capitol sides. The band is largely responsible for the spirit of the student body during the pep rallies. The M.J.B. is under the direction of Mr. J. B. Cagle.

Student Council Creates Unity.

Student Council is the catalyst which brings the administration and student body together to produce the McKinley Sr. High family.

To do this takes a great deal of courage, leadership, patience, and perseverance. Student Council elections allow the students to select those persons who meet the qualifications and who will dedicate themselves to the improvement of McKinley.

The activities which happened this year were to enrich the student's school life. Among these were dances, student exchange, and jewelry sales.

A New Tradition —

The yearbook began a new experience for the staff as well as the editors. Together we learned the techniques and skills that were necessary to put this publication together since it wasn't an annual one. Long hours were spent cropping pictures, drawing layouts, and dreaming up captions. We hope that others that are to follow will succeed and make the BIG BLUE MACHINE a tradition.

Honor Society: an Active Club.

The James Frazier St. Chapter of the National Honor Society was organized in 1960 in an effort to recognize those students of McKinley St. High School who have achieved academic excellence.

Since its beginning, the Chapter has played a very important role in the growth of the school and the community. Some of its annual activities include: giving achievement awards to McKinley students, selling school publications, sponsoring Student Government Day, preparing baskets at Thanksgiving for the needy, and sponsoring the annual Easter Basket Contests.

The purposes of the National Honor Society are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of the secondary schools of the nation.

Sponsors of the Chapter are Mrs. Jodie K. Leonard and Miss Shirley J. Davis.

Mu Alpha Theta Adds on . . .

Mu Alpha Theta is an International High School and Junior College mathematics society. You are required to have four semesters of pure mathematics and be presently enrolled in a pure mathematics course at the time of induction. You must have a "B" or better average in mathematics and all your other subjects. The major purpose of Mu Alpha Theta is to stimulate deeper and more effective interest in mathematics. Every year there is a national convention and state convention where the different chapters get together to compete in different activities and scholastic competition. This chapter is active in an equations league and different money raising projects to earn the necessary funds to go to the state convention and local district meetings.

Something's Always Cooking

Future Homemakers of America is a national organization of girls and boys studying homemaking in high schools of the United States, Puerto Rico, and the Virgin Islands. An integral part of the homemaking program, F.H.A., provides opportunities for experiences in planning and carrying out activities related to homemaking. The overall goal of the organization is to help individuals improve personal, family, and community living now and in the future.

Helping the community in any way we can is the main goal of McKinley's Red Cross. Along with the Baton Rouge Chapter we are able to reach many needy and lovely people.

Some of the activities one may experience in the Red Cross are: First Aid classes, picnics with foreign students, games and entertainment for the elderly, deaf, and blind, canned food drives during the holidays, summer camp, city-wide bazaar, conventions, helping during disasters, and many more.

If you care about people, you're a part of Red Cross.

Dynamic Distributors

Distributive Education Clubs of America (DECA). McKinley Senior High School Chapter is a club composed of students enrolled in Distributive Education. The club sponsors activities which help to develop leadership responsibilities and provide for attainment of social, civic, and educational values. The students participate in DECA on the local level and attend state and national conferences when possible. Chapter officers have an opportunity to attend an officers training workshop in the autumn each year.

COE Gives Office Experience.

The McKinley COE Club is composed of students enrolled in the Cooperative Office Education training program. Students attend school in the morning and work in an office in the afternoon. Through the club activities, members raise funds in various ways to earn money for the Employer Appreciation Banquet at the close of the school year. This year we raised money by selling McKinley Panther Sweatshirts and invited each employer to a luncheon where he/she was awarded a Certificate of Appreciation. During the fall semester, all members attended the Annual COE Day Convention at the White House Inn in Baton Rouge.

They Did It Again . . .

This year's basketball team was in the process of rebuilding. It consists of one senior, four juniors, and seven sophomores. When they first got started they got off on the wrong track. But with the outstanding coaching of Teddy Brown and his assistants, and discipline on the part of the players, they found their way back to a winning track. The team worked hard to establish an outstanding performance and ended up district champs for the sixth straight time. And hopes are high for a state championship.

Panther Pride Comes Home With the Slide.

This year's baseball team was a very interesting one from the standpoint of potential. Although the team was young, it still had some fine players who may develop into outstanding players before they graduate. Hard work, dedication, desire, and perseverance were the key ingredients for their own and the team's success this year.

EDITOR'S MESSAGE

BIG BLUE MACHINE has been dedicated to the administration, faculty, student body, alumni, and to those persons, whom time has forgotten, who were a major part of McKinley's tradition. We, as well as our staff, have captured the love and care of the year 1975-76 as one in which we all want to remember. Together we went through many spirited events, happenings and activities; and for those who were seniors, that walk down the aisle for the last time.

As we look back, we had what it takes to keep the tradition going and the strength to carry out our own change. Many things will be forgotten, but the present, which all too soon becomes the past, has an everlasting impression on our future.
